Proven Selections™
Acalypha pendula
Firetail Chenille Plant
Fluffy masses of bright red chenille flower spikes are produced periodically during the year. Sobkowich

Anagallis
Green Twist
The bushy, grasslike foliage on this variety resembles bamboo with a healthy looking, unique vining habit. Green Twist must be kept well-watered during hot spells. Trailing habit. Nordic

Anagallis
WILDCAT Series
From the breeding program at the University of New Hampshire, Wildcat is a groundbreaking series of early-blooming, compact, large-flowered anagallis. These plants make a stunning addition to any container blooming from April until November. Nordic, Sobkowich

*Begonia
WILDCAT Series
From the breeding program at the University of New Hampshire, Wildcat is a groundbreaking series of early-blooming, compact, large-flowered anagallis. These plants make a stunning addition to any container blooming from April until November. Nordic, Sobkowich

*Wildcat Blue
Magnificent blue blooms.

*Wildcat Mandarin
Exquisite bright orange flowers.

Artemisia stelleriana
SILVER CASCADE
Silver-grey foliage nicely complements flowering plants and adds contrast. Trailing habit. Nordic

Begonia
BELLECONIA™ Series
Large double blooms start earlier and keep blooming longer with increased heat and light level tolerance. Nordic

BELLECONIA™ Apricot Blush
BELLECONIA™ Cream
BELLECONIA™ Hot Orange
BELLECONIA™ Rose
BELLECONIA™ Snow
BELLECONIA™ Soft Orange

Begonia
SOLENIA® Series
Compact, well-branched plants that set big, double blooms on glossy, dark foliage. Great sun tolerance. Nordic

SOLENIA® Dark Pink
SOLENIA® Light Pink
SOLENIA® Red
SOLENIA® Red Orange
SOLENIA® Velvet Red
SOLENIA® Yellow Improved

New this year.

Begonia
SUMMERWINGS® Series
Huge, airy single blooms with continuous flowering all summer. Blooms earlier than traditional tuberous begonias. Nordic

SUMMERWINGS® Dark Elegance
SUMMERWINGS® Deep Red
SUMMERWINGS® Ebony and Orange

Some or all of the varieties listed herein may be protected under one or more of the following: Plant Variety Protection, United States Plant Patents, Utility Patents, and/or Plant Breeders’ Rights and may not be propagated or reproduced without authorization.
**Harvy Ferns**

Add some excitement to a patio pot or shade basket with their gracefully arching dissected fronds.

**Autumn Fern**

A dwarf fern with coppery red young fronds that mature to deep green. New this year.

**Soft Shield Fern**

The swirling, arched fronds will add textural interest to any container.

**Tropical Ferns**

- **Australian Sword Fern**
  - Large sword-shaped fronds. Great in containers and baskets or in shaded garden beds. New this year.
  - Nordic

- **Emerald Vase Boston Fern**
  - Boasts trailing mounds of lemon-colored blooms.
  - Nordic

**SUMMERWINGS® Series**

- **Begonia SUMMERWINGS® Orange**
  - With masses of flowers on spreading/trailing foliage, Red Stripe works well in combo baskets or in the landscape.
  - Nordic

- **SUMMERWINGS® White**
  - Delicate chocolate-colored flowers are held on sturdy stems surrounded by fern-like foliage.
  - Nordic

**Bee Dance**

- **Bee Dance® Red Stripe**
  - With masses of flowers on spreading/trailing foliage, Red Stripe works well in combo baskets or in the landscape.
  - Nordic

**Bidens**

- **Bidens Calibrachoa**
  - A prolific bloomer all season that is perfect for sun or part sun.
  - Nordic

**Cosmos**

- **Cosmos astrosanguineus Choca Mocha**
  - Delicate pink petals form a ring around a magenta center on dark mahogany foliage.
  - Nordic

**Dahlias**

- **Dahlia Mystique®**
  - Delicate pink petals form a ring around a magenta center on dark mahogany foliage.
  - Nordic

**Dracaena**

- **Dracaena indivisa**
  - Dwarf fern with coppery red young fronds that mature to deep green.
  - Nordic

**SUMMERWINGS® Series (continued)**

- **Begonia SUMMERWINGS® Orange**
  - Delicate chocolate-colored flowers are held on sturdy stems surrounded by fern-like foliage.
  - Nordic

- **Begonia SUMMERWINGS® White**
  - Delicate chocolate-colored flowers are held on sturdy stems surrounded by fern-like foliage.
  - Nordic

**Begonia**

- **Begonia Florencia Orange**
  - Strong outdoor performance with good sun tolerance.
  - Vigorous and well-branched with large, vivid orange flowers.
  - New this year.

- **Begonia Vermillion Red**
  - A prolific bloomer all season that is perfect for sun or part sun.
  - Nordic

**Bidens**

- **Bidens Bee Dance® Red Stripe**
  - With masses of flowers on spreading/trailing foliage, Red Stripe works well in combo baskets or in the landscape.
  - Nordic

**Calibrachoa**

- **Calibrachoa Calibrachoa Golden Yellow**
  - Bushy compact plant with small, bright yellow pouch-shaped flowers.
  - Nordic

**Calceolaria**

- **Calceolaria Golden Yellow**
  - Bushy compact plant with small, bright yellow pouch-shaped flowers.
  - Nordic

**White Ripple**

- White Ripple has strong white and green variegation on 5-lobed leaves. Slower growing and self-branching. White Ripple is a trailing variety that works well in baskets or containers. Nordic

- **Yellow Ripple**
  - Yellow Ripple is a slower growing, prostrate variety with zig-zag stems. The foliage is silver green with butter yellow edges through all seasons. Nordic, Sobkowich

**Licorice Splash**

Delightful grey-green leaves with creamy variegation. Nordic

**Petite Licorice**

Very compact grower with dainty, dusty, silver-green leaves. Nordic

**White Licorice**

Vigorous grower with lovely silver-white foliage. Nordic

**Helichrysum thianschanicum**

- Icicles
  - Tight growth habit with long, delicate, intensely silver foliage. Upright habit. Sun or partial sun. Nordic, Sobkowich

- Heliotrope arborescens
  - Fragrant Blue
    - Large clusters of sweet-smelling, purple flowers with upright semi-trailing habit. Nordic
  - Heliotrope arborescens
    - Marine
      - Large clusters of deep purple, vanilla-scented flowers all summer. Heat tolerant. Nordic

**Herbs**

- **Genovese Basil**
  - Great tasting basil with classic Italian basil flavor.

**Fernleaf Dill**

**Helichrysum petiolare**

- Very compact grower with dainty, dusty, silver-green leaves. Slow growing and self-branching. White Ripple is a trailing variety that works well in baskets or containers. Nordic

- **LicoriceSplash**
  - Licorice plants are exceptionally easy to grow, requiring little water and fertilizer to deliver a compact, upright, sturdy plant that is a great filler in containers and the landscape.

**Licorice Splash**

Delightful grey-green leaves with creamy variegation. Nordic

**Petite Licorice**

Very compact grower with dainty, dusty, silver-green leaves. Nordic

**White Licorice**

Vigorous grower with lovely silver-white foliage. Nordic

Echeveria
Red Tip
Pinkish grey fleshy leaves with pointed dark red tips.
New this year. Nordic

Echeveria
Rosea
Compact rosettes with rose red tips and twisted leaf edges.
New this year. Nordic

Echeveria
Topsy Turvy
Topsy Turvy is a fast growing rosette-forming succulent with twisted blue grey leaves. Flowers appear in late summer on tall stems. Nordic

Graptopetalum pentandrum
It has fleshy, thick, and wonderfully lavender leaves. Rosettes up to 5” in diameter and have a flattened "face." Nordic

Graptosedum
Vera Higgins
Rosette-shaped reddish bronze leaves. Nordic

Graptopetalum deltoideum
Fred Ives
Dark purple rosettes are highlighted with pink and purple. Coral-colored flowers appear in spring. Nordic

Haworthia
Big Band
Bumpy, raised white bands on long, pointed leaves. New this year. Nordic

Kalanchoe marnieriana
Flat blue-green upward-facing rounded leaves on well-branched plants. Nordic

Kalanchoe pumila
Silver Grey
Scalloped foliage in shades of burgundy to dusty rose produce pink flowers in spring. Nordic

Kalanchoe tomentosa
Panda Plant
This unique plant has thick, soft, furry, silver leaves with a burgundy edge. Nordic

Kleinia
Blue Chalk Sticks
Soft blue, round leaves cover this low-maintenance succulent. Nordic

Lampranthus deltoides
Well-branched with fleshy three-sided blush green leaves and dark stems. Nordic

Orostachys boehmieri
Chinese Dunce Cap
Soft, silver-grey-green foliage form beautiful paddle-shaped leaves in a tight rosette. Nordic

Pachyphytum
Silver Jelly Bean
Chubby, jelly bean-like, blue-green leaves develop reddish tips when grown in high light conditions. New this year. Nordic

Peperomia
Happy Bean
Long narrow bean-shaped green leaves with curved edges. Vigorous upright habit. New this year. Nordic

Sedum
Carnicolor
Rosettes of fleshy green leaves with pink tips and margins on sturdy trailing stems. Nordic

Sedum
Fine Leaf Gold
A dense sea of finely textured petite yellow leaves. Nordic

Sedum clavatum
Aurora Blue
Small frosted green leaves form tight spirals to create thick rosettes that in bright light become tipped with pink. Nordic

Sedum morganianum
Burrito
Long trailing stems and densely packed foliage. Short thick lime green leaves. Nordic
**Sedum nussbaum erianum**
Slightly fragrant white flowers appear on cylindrical, copper-toned foliage in January through April. Nordic

**Sedum rubrotinctum**
Jelly bean-like leaves on dense plants that change from green to red in summer. Nordic

**Sempervivum Kalinda**
Large succulent leaves held in tight green heads with blood red centers. Nordic

**Senecio String of Pearls**
Round, succulent leaves carried down long, slender stems. They look more like peas than pearls, but this succulent is definitely a gem. Nordic

---

**Trifolium repens**
DARK DANCER™
 Vigorous grower has dark clover-shaped leaves with green edging and white flowers in summer. Nordic

**Verbena TAPIEN® Blue Violet**
An endless carpet of blue-violet blooms all season; excellent annual ground cover. Nordic

**Vinca major**
Wojo's Jem
Compact, mounding and trailing habit with dark green and white variegated foliage. Nordic, Sobkowich

**Vinca minor**
Illumination
Variegated foliage has an interesting coloration with lemon-colored leaves edged with lime. Blue flowers appear in spring. Trailing habit. Sobkowich
