Iberis ABSOLUTELY AMETHYST® ('IB2401' PPAF)

Iberis ABSOLUTELY AMETHYST® ('IB2401' PPAF)
WGI Exclusive

IBEAAG1, IBEA72 (Evergreen Candytuft) This easy care ground cover forms a wide cushion of dark green, evergreen foliage blanketed in large clusters of amethyst purple flowers in spring. A great new color for Iberis! Blooms 4-6 weeks later than white Iberis.

10-12in/LSp/Z4-9/#1 Grade, 72ct

All propagation prohibited.

Proven Winners® label and container required.

Recommended Finish Size: Trade 1-GL

Iberis sempervirens 'Alexander's White'

IBEAAG1, IBEA72 (Evergreen Candytuft) Large clusters of flowers carpet the narrow, evergreen leaves. Tends to rebloom in fall. Drought tolerant. A great filler between stones. Also effective as edging or groundcover.

8-10in/MSp-LSp/Z3-9/#1 Grade, 72ct

Iberis sempervirens 'Alexander's White'

Iberis sempervirens 'Snowflake'

I

NEW

Iberis sempervirens 'Little Gem'

Incarvillea delavayi

NEW

Iberis sempervirens 'Little Gem'

IBELGG1 (Evergreen Candytuft) This very compact, dwarf selection forms a small, dense mound of narrow, dark green, evergreen leaves covered in clusters of snow white flowers. It is shorter and more compact than the species, making it a better choice for edging.

5-8in/MSp-LSp/Z3-9/#1 Grade

Iberis sempervirens 'Snowflake'

IBESNG1 (Evergreen Candytuft) This vegetative selection offers consistency in height and habit. It forms a wide cushion of narrow, evergreen leaves that are smothered in white flowers in spring. Drought tolerant.

8-10in/MSp-LSp/Z3-9/#1 Grade

Award: RHS

Incarvillea delavayi

INCDEG1 (Hardy Gloxinia) It's hard to believe this tropical looking beauty is hardy to zone 5! Exotic 3in long, trumpet-shaped, rose purple flowers with a yellow throat are held a few inches above the clump of attractive fern-like, green foliage.

12-18in/LSp/Z5/#1 Grade

Cannot ship to Canada.

GROWER TIP

When planting Tall Bearded Irises, be sure to leave the top 25-50% of the rhizome exposed above soil level. Losses are often attributed to overwatering. Water sparingly and avoid excessive moisture levels during the fall and winter. Zone 3-10

Tall Bearded Iris

ORDERING INFORMATION

Tall Bearded Iris plugs are available in 25ct trays, pictured right, for spring shipping February 11 - March 18, 2013. They typically require 6-8 weeks to finish for spring sales.

Bare root Tall Bearded Irises are available for late summer and early fall shipping. This timing allows the plants to establish a good root system before overwintering.

We highly recommend ordering early as these popular items typically sell out.

ABBREVIATION CODES

- E** Early (mid to late May)
- M** Mid (late May to early June)
- L** Late (early to mid-June)
- RE** Usually repeats bloom
- FR** Fragrant

NEW Iris 'Abiqua Falls'

NEW Iris 'Abiqua Falls'

IRGAFG1, IRGAF25 (Schreiner) Prized for its clear blue color and ruffled blossoms. Significant advancement in this color category. Pristine, large, sky blue flowers with deeply ruffled petals. Vigorous grower. Traits: 39"-M-#1 Grade, 25ct **D**  Award: HM, AM

Iris 'Autumn Circus'

Iris 'Autumn Circus'

IRGACG1, IRGAC25 (Hager) White standards have blue-violet peppering which intensifies to a near-solid edging. Blue-violet plicata edge on the falls, white beards, and distinctive blue-violet veining. Dependable fall rebloom. Traits: 34"-E-RE-#1 Grade, 25ct **D**  Award: HM

Iris 'Batik'

Iris 'Batik'

IRGBAG1, IRGBA25 (Ensminger) Royal purple flowers with wildly irregular, spattered and streaked white markings on both standards and falls. Very distinctive variety with a tall, stately habit and large flowers. Traits: 26"-M- #1 Grade, 25ct **D**  Awards: HM, AM, KM

Iris 'Before the Storm'

IRGBTG1, IRGBT25 (Innerst)
One of the darkest irises available. Solid black-purple flowers with widely flared falls. Slight sweet fragrance and an excellent growth habit.

Traits: 37"-ML-FR- #1 Grade, 25ct **D**

A Awards: HM, AM, JCWM, Dykes

Iris 'Beverly Sills'

IRBSG1, IRBS25 (Hager)
Uniform coral pink self with lacy edges and impeccable form. An extremely fast grower and very heavy bloomer. Still one of the most sought-after irises today.

Traits: 35"-EM- #1 Grade, 25ct **D**

A Awards: HM, AM, Dykes

Iris 'Clarence'

IRGCLG1, IRGCL25 (Zurbrigg)
Pale blue standards and flaring, ruffled, violet-blue falls with large, white beards. Well-branched with 7-10 buds each. Highly recognized for its

dependable rebloom. Sweetly fragrant.

Traits: 35"-M-RE-FR- #1 Grade, 25ct **D**

A Awards: HM, AM, JCWM, Dykes (runner up) **POPULAR**

Iris 'Fall Fiesta'

IRGFFG1, IRGFF25 (Schreiner)
This unusually colored iris has ruffled, amber-tan falls, pale yellow standards, and gold beards. Soft yellow stylearms and midribs complete the look. Collectors will have to have it!

Traits: 36"-ML- #1 Grade, 25ct **D**

A Award: HM

Iris 'Feed Back'

IRGFBG1, IRGFB25 (Hager)
Large, blue-violet blossoms with yellow beards. Ruffled petals are displayed in a widely flared form. Strong, well-branched stems. Pronounced sweet fragrance. Our best rebloomer here in Michigan.

Traits: 36"-EM-RE-FR- #1 Grade, 25ct **D**

NEW **Iris 'Fortunate Son'**

IRGFSG1, IRGFS25 (Schreiner)
The result of over 35 years of breeding work. Extraordinary deep ruby red blossoms with broad spreading falls and unusual blue beards. Ruffled

blossoms have a metallic shimmer.

Traits: 37"-EM- #1 Grade, 25ct **D**

A Award: HM

Iris 'Harvest of Memories'

IRGHMG1, IRGHM25 (Zurbrigg)
Radiant yellow self with widely ruffled petals. Slight sweet fragrance. Dependable rebloom in summer and fall. Displays outstanding branching and bud count. Vigorous grower.

Traits: 38"-M-RE-FR- #1 Grade, 25ct **D**

Iris 'Poem of Ecstasy'

Iris 'Immortality'

IRGIMG1, IRGIM25 (Zurbriggen) Ruffled, pure white self with pale lemon-yellow beards. Strong sweet fragrance. Nearly everblooming once established. Has the most consistent reblooming ability throughout the country.

Traits: 29"-M-RE-FR- #1 Grade, 25ct Ⓚ

🌿 Awards: HM, AM 

Iris 'Lace Artistry'

IRGLAG1, IRGLA25 (Aitken) Even more beautiful when viewed up close, this pale peachy pink iris has frilly ruffled petals like a little girl's party dress. The center of the falls brightens to cream, highlighting the apricot beards.

Traits: 37"-M- #1 Grade, 25ct Ⓚ

🌿 Award: HM

NEW Iris 'Lovely Señorita'

IRGLSG1, IRGLS25 (Schreiner) Spice up the garden with this ruffled, vibrant orange bicolor Iris! Huge 6" blossoms have tangerine orange standards and deeper coppery orange falls with orange beards. Vigorous and heavily budded.

Traits: 41"-ML-#1 Grade, 25ct Ⓚ

Iris 'Poem of Ecstasy'

IRGPEG1, IRGPE25 (Hager) Pastel bicolor with large, peachy pink standards and smooth lavender falls. Each petal is edged in flowing ruffles and has a golden

orange beard. Nicely branched stems carry an average of 8 buds. Blooms dependably year after year.

Traits: 36"-M- #1 Grade, 25ct Ⓚ

🌿 Awards: HM, AM, JCWM

Iris 'Tanzanian Tangerine'

IRGTTG1, IRGTT25 (Kasperek) Exotic looking, ruffled, peachy tan flowers have clear standards and falls misted with a fine spray of wine red color. A subtle picotee wine red edge and orange beards complete the look.

Traits: 38"-EM- #1 Grade, 25ct Ⓚ

🌿 Award: HM

Iris 'World Premier'

IRGWPG1, IRGWPG25 (Schreiner) Icy white standards stand above the deep inky blue-purple, ruffled falls. A unique purple and white blaze surrounds the orange-gold beards. Vigorous grower. Extra long bloom time.

Traits: 37"-EML- #1 Grade, 25ct Ⓚ

🌿 Awards: HM, AM, JCWM

Iris pallida**'Argentea Variegata'**

IRGAVG1, IRGAV25 (Sweet Iris) Striking green and ivory striped form. New foliage emerges with creamy yellow margins that fade to ivory as the season progresses. Classic lavender-blue flowers in late spring. The most reliable and disease resistant of all Tall Bearded Irises.

Traits: 34"-E- #1 Grade, 25ct Ⓚ

🌿 Award: RHS

Iris 'Tanzanian Tangerine'

Iris 'World Premier'

Iris pallida 'Argentea Variegata'

Grower Tip

Unlike their tall bearded cousins, Siberian Irises prefer moist soil and bloom a bit later. Their slender, spiky leaves add wonderful texture to the landscape even when the plants are not in bloom.

Iris sibirica 'Butter and Sugar'

IRSBG1, IRBSBG2 (Siberian Iris) Creamy white standards, butter yellow falls, and greenish-yellow veins. May rebloom in fall. Performs best in moist, acidic soil. Blooms before the Japanese but after the Tall Bearded.

28in/ESu/Z3-9/#1 & #2 Grade **D**

Awards: HM, AM

Iris sibirica 'Caesar's Brother'

IRSCBG1, IRSCBG2 (Siberian Iris) Deep purple self and a yellow and white blaze with black veining. Performs admirably in moist, acidic soil. Blooms before the Japanese but after the Tall Bearded.

36-42in/ESu/Z3-9/#1 & #2 Grade **D**

Awards: Morgan, MOBOT

Iris sibirica 'Pink Haze'

IRSPHG1, IRSPHG2 (Siberian Iris) Warm lavender-pink self, narrow white-edged falls, and a crimson blaze. Blooms before the Japanese but after the Tall Bearded.

30-36in/ESu/Z3-9/#1 & #2 Grade **D**

Award: Morgan

Iris sibirica 'Ruffled Velvet'

IRSRVG1, IRSRVG2 (Siberian Iris) A dramatic selection with red-purple standards, velvety darker purple falls, and a black and gold blaze. Performs admirably in moist, acidic soil. Blooms before the Japanese but after the Tall Bearded.

24-30in/ESu/Z3-9/#1 & #2

Grade **D**

Award: RHS

Iris sibirica 'Strawberry Fair'

IRSSFG1 (Siberian Iris) A popular iris with heavily ruffled, magenta pink falls, lavender pink standards, and a white signal. Late bloomer. Tetraploid.

29in/ESu-MSu/Z3-9/#1 Grade **D**

Awards: HM, AM, Morgan

Iris sibirica 'White Swirl'

IRSWSG1, IRSWSG2 (Siberian Iris) Widely flared, ivory-white self, with a touch of gold near the throat. One of the finest whites available. Performs admirably in moist, acidic soil. Blooms before the Japanese but after the Tall Bearded.

30in/ESu/Z3-9/#1 & #2 Grade **D**

Award: RHS

Iris sibirica 'Strawberry Fair'

Iris sibirica 'White Swirl'

I Louisiana Iris

Grower Tip

Louisiana Irises have very large, beard-less flowers with wide, open flaring petals. They require boggy to consistently moist, acidic soil and regular fertilization.

Photo courtesy of Niels Mulder

Iris 'Black Gamecock'

Japanese Iris

Grower Tip

Japanese Iris rhizomes should be planted 2-3in deep in heavy, rich, acidic, consistently moist soil. Never let the soil dry out. With proper care, they will become large, healthy plants with huge flowers.

Photo courtesy of Plant Delights Nursery

Iris ensata 'Lion King'

Iris ensata 'Variegata'

Iris 'Black Gamecock' (Louisiana Group)

IRLBGG1, IRLBGG2 (Louisiana Iris) Known for having "outrageous vigor", this iris multiplies rapidly when sited properly. Blooms reliably each year. Huge 4-6" flowers open flat to display their velvety deep purple petals with the narrowest gold signal.

2-3ft/ESu-MSu/Z4-10/#1 & #2 Grade **D**

Awards: HM, AM, Mary Swords DeBallion Medal (LA)

Icons: NC

Iris ensata 'Lion King'

IRELKG1 (Japanese Iris) This extraordinary, majestic plant produces gigantic 7-8", fully double blossoms with standards and falls much larger than the species. Each petal displays a wide, grape purple edge that feathers into the pure white center. Tall, stately perennial.

3-4ft/ESu/Z4-9/#1 Grade **D**

Icons:

Iris ensata 'Variegata'

IREVAG1 (Japanese Iris) Beautiful both in and out of bloom. Attractive striped green and creamy white, sword-like leaves are topped with large, bright royal purple flow-

ers with a small, yellow signal. A wonderful spring accent for the water's edge.

18-24in/ESu-MSu/Z4-9/#1 Grade **D**

Limited Supply Available.

Awards: RHS

Icons:

Knautia macedonica 'Mars Midget'

KNAMM30 (Knautia) Pin cushion-like flowers have brilliant ruby-red petals and white stamens. Blooms from early summer into fall. Bushy habit. Attracts butterflies. A tremendous improvement over the species.

16in/ESu-EFa/Z6/30ct **S**

Icons:

NEW Knautia macedonica 'Thunder and Lightning' PP21437

KNATL30, KNATL72 (Knautia) Clean stock now available and ready for introduction. Light green leaves are shaped like lightning bolts with creamy yellow to white margins. Compact, shorter selection with the same deep reddish purple flowers as the species.

12-18in/ESu-EFa/Z5-9/30 & 72ct **C**

Asexual propagation prohibited.

KNIFSG1 (Red Hot Poker)
This floriferous hybrid from hybridizer Luit Van Delft sets the garden ablaze with loads of solid fluorescent orange, torch-shaped flower spikes. Forms a relatively compact clump of green, strappy foliage. A colorful perennial for hot, dry areas. 30-36in/ESu-LSu/Z5-9/#1 Grade **D**

Asexual propagation prohibited.

Kniphofia hirsuta
'Fire Dance'

KNIFD30, KNIFD72 (Red Hot Poker) Shorter variety better suited to smaller city gardens. Coral red and yellow flower spikes are produced atop a low-growing, thick clump of narrow, arching, blue-green foliage. Hardest selection to date from Jelitto Seeds.

20in/ESu-LSu/Z4-9/30 & 72ct **S**

NEW **Kniphofia uvaria**
'Red Rocket' PP21905

KNIRRG1 (Red Hot Poker)
Selected for its strong, healthy

growth rate and earlier bloom time compared to its parent, 'Nancy's Red'. Hot coral red flower spikes appear over a long period beginning in early summer. Great garden performer. 20in/ESu-LSu/Z6-9/#1 Grade **D**
Asexual propagation prohibited.

Lamium 'Anne Greenaway'

LAMAG30, LAMAG128 (Lamium) An exquisite blend of chartreuse, silver, medium-green, and mint green leaves. Mauve flowers. Spreads by underground stolons; makes an excellent weed-smothering groundcover or mask for dying bulb foliage.

6-8in/LSp-ESu/Z3-8/30 & 128ct **C**

Lamium maculatum
'Beacon Silver'

LAMBS30 (Lamium) A popular variety. Silvery leaves with narrow, green margins provide a lovely backdrop for the lavender-pink, hooded flowers. An excellent weed-smothering groundcover and also a good mask for dying bulb foliage.

4-8in/MSp-ESu/Z3-8/30ct **C**

Lamium maculatum
'Purple Dragon' PP15890

LAMPD30, LAMPD128 (Lamium) Sizeable, dense terminal spikes of rich purple flowers and silvery foliage. Selected for its deep purple, snapdragon-like flowers.

4-8in/MSp-ESu/Z3-8/30 & 128ct **C**

Asexual propagation prohibited.

Lamium maculatum
'White Nancy'

LAMWN30, LAMWN128 (Lamium) Nearly all-silver leaves with narrow, blue-green margins are a lovely backdrop for the pure white, hooded flowers. This variety is particularly dense and low-growing, making it an excellent weed-smothering groundcover.

4-8in/MSp-ESu/Z3-8/30 & 128ct **C**

Award: RHS

Lavandula angustifolia
'Blue Cushion'

LAVBCG1 (English Lavender)
Many compact lavenders have smaller flowers and uneven

flowering, but this one forms a compact, rounded cushion of fragrant, grey-green foliage topped with a uniform, dense mass of deep blue flowers which lighten to pale blue.

16in/ESu-LSu/Z5-9/#1 Grade **C**

Lavandula angustifolia
'Blue River'

LAVBRG1, LAVBR72 (English Lavender) This smaller seed selection produces intense purple, highly fragrant flowers over several months. Silvery green foliage forms a uniform, compact, dense mound. Great for containers, edging, and herb gardens.

Award: FGM

NEW ***Lavandula angustifolia***
'Essence Purple' PPAF

LAVEUG1 (English Lavender) New to the US market. One of the very best in our trials; consistently outstanding performance. Forms a perfectly rounded, uniform, dense clump of green, aromatic foliage. Retains its shape all season. Bright blueberry colored flowers early.

18in/ESu-EFa/Z5-9/#1 Grade **C**

Asexual propagation prohibited.

Lavandula angustifolia
'Hidcote'

LAVHIG1, LAVHI30, LAVHI72 (English Lavender) Very fragrant, deep violet-purple flower spikes fill the air all summer long with their sweet perfume. The silver-grey foliage remains compact, making it a good choice for edging.

16in/MSu-EFa/Z5-9/#1 Grade, 30 & 72ct **S**

Award: RHS

Lavandula angustifolia
'Munstead'

LAVMSG1, LAVMS30, LAVMS72 (English Lavender) Rich lavender flower spikes all summer long. Its compact habit and relatively short stature makes this selection a good choice for edging. Thought to be the hardiest lavender.

12-16in/LSp-LSu/Z5-9/#1 Grade, 30 & 72ct **S**

NEW ***Lavandula angustifolia***
'Silver Mist'

LAVSMG1, LAVSM72 (English Lavender) The brightest silver foliage of any Lavender; ghostly whitish appearance from a distance. Forms a bushy, very well-branched, uniform clump of aromatic foliage. Lavender purple flowers appear a bit later than typical Lavenders. Rare selection.

16-20in/MSu-EFa/Z5-9/#1 Grade, 72ct **C**

Lavandula x intermedia
'Grosso'

LAVGRG1, LAVGR72 (English Lavender) A cross between *L. angustifolia* and *L. latifolia*. Fragrant, plump, violet-blue flower spikes. Blooms a bit later than the others and may rebloom in fall. Especially good for cutting.

24-30in/MSu, EFa/Z5-9/#1 Grade, 72ct **C**

Lavandula x intermedia
'Provence'

LAVPRG1, LAVPR72 (French Lavender, Hedge Lavender) The best variety for bouquets, wands, potpourri, and culinary use. Narrow, lavender blue flower spikes have an intense sweet fragrance. Forms a large hedge-like shrub. More tolerant of damp winter soil.

3ft/ESu-EFa/Z5-9/#1 Grade, 72ct **C**

Leucanthemum superbum 'Aglaia'

LEUAG30, LEUAG72 (Shasta Daisy) Fringed, white petals are like shaved coconut surrounding crested yellow centers. Large 3in wide blooms on long, sturdy stems make long-lasting cut flowers. Blooms nearly all summer if deadheaded. 24-36in/ESu-LSu/Z5-9/30 & 72ct ①

Award: RHS

Leucanthemum superbum 'Alaska'

LEUAL30 (Shasta Daisy) Broad 3in wide flowers are pure white with yellow centers. They are borne on long stems which are perfect for cutting. This is the hardiest strain of Shasta available. 24-36in/ESu-LSu/Z4-9/30ct ⑤

Leucanthemum superbum 'Amelia'

LEUAM30, LEUAM72 (Shasta Daisy) One of only four varieties to receive a five star rating from a 7 year trial of 36 daisies at the Chicago Botanic Garden. Praised for its consistently healthy disposition, heavy production of large 4-5in flowers, and robust habit. 36-40in/ESu-LSu/Z5-9/30 & 72ct ⑤

ensuring summer-long bloom. Vigorous grower with excellent disease resistant, compact, dark green foliage. The perfect pot plant for retail. 15-18in/ESu-LSu/Z5-9/30 & 72ct ①

All propagation prohibited. Proven Winners® label and container required. Recommended Finish Size: Premium 1-Gallon

Leucanthemum superbum 'Crazy Daisy'

LEUCD30 (Shasta Daisy) No two blooms are alike on this fringed and frilly, semi to fully double selection. Two inch wide, solid white flowers with a small buttery yellow center. Noted for its prolific flowering tendency. 24-28in/ESu-LSu/Z5-9/30ct ⑤

Leucanthemum superbum 'Banana Cream' PPAF
WGI Exclusive Introduction

LEUBC30, LEUBC72 (Shasta Daisy) Superb selection; a staple item for every perennial garden. Huge 4-5" flowers open lemon yellow, brightening to light butter yellow and finally to creamy white as they mature. Extra row of ray petals gives the flowers a fuller look. Buds are produced at each axillary shoot,

Leucanthemum superbum 'Becky'

LEUBE30, LEUBE72 (Shasta Daisy) Durable in hot, humid summers. 3in, single, white blooms on strong stems are ideal for cutting. Does not require staking. 36-42in/ESu-LSu/Z5-9/30 & 72ct ③

Award: PPAF 

"Reoccurring soft yellow blooms make this a charmer in the garden. No staking required as this sturdy little perennial is constantly in the 'pleaser' mode casting before you splashes of sunshine day in and day out."
 —P. Allen Smith

THE ADVANTAGE OF VEGETATIVELY PRODUCED LIATRIS

Though the seed form of *Liatris* 'Kobold' has been around for years, some customers prefer a more consistent strain with a more predictable height.

In response to customer demand, we offer the true vegetative strain, 'Kobold Original'. Though it looks just like 'Kobold', it offers more uniform height and growth because the stock is produced from division so each plant is identical.

***Ligularia dentata* 'Britt-Marie Crawford' PP16113**

LIGBC20, LIGBC72 (Bigleaf Ligularia) Broad, glossy, chocolate-purple leaves with bright purple undersides make a bold statement in the garden. Golden orange, daisy-like flowers on purplish-black stems. A top seller!
3-4ft/LSu/Z4-9/20 & 72ct ①
Asexual propagation prohibited.

***Ligularia dentata* 'Midnight Lady'**

LIGML30, LIGML72 (Bigleaf Ligularia) This economically priced seed strain forms a large clump of broad, dark bronze purple, serrated leaves topped with golden orange, daisy-like flowers on dark stems. Makes a bold statement. From Jelitto Perennial Seeds.
35-40in/LSu/Z4-9/30 & 72ct ⑤

***Ligularia* 'Little Rocket' PP14621**

LIGLR20 (Ligularia) This shorter hybrid from breeder Marco Franzen was selected for its compact habit and floridity. A profusion of bright yellow flower spikes rocket above the large, rich green, serrated leaves.
3-4ft/MSu/Z4-9/20ct ①
Asexual propagation prohibited.

***Liriope muscari* 'Big Blue'**

LIRBB30, LIRBB72 (Blue Lily-turf) Evergreen, grass-like plant with dark green, strappy leaves and a vase-like habit. Delightful lilac-purple flowers resembling grape

hyacinths are displayed above the foliage. Clump-former. Tolerates dry shade.

12-18in/MSu/Z5-10/30 & 72ct ①

Lobelia cardinalis

LOBCA30, LOBCA72 (Cardinal Flower) This lovely native species is an excellent plant for moist to wet sites. Very tall, upright spikes of true fire red flowers are presented atop the green foliage and are useful for adding color late in the season. Attracts hummingbirds and butterflies.

3-4ft/LSu-MFa/Z3-9/30 & 72ct ⑤

🏆 Awards: RHS, MOBOT

***Lobelia fulgens* 'Queen Victoria'**

LOBQV30 (Cardinal Flower) Distinguished from the straight species by its tremendous vigor and flower output. Brilliant red flower spikes hover above the reddish-bronze foliage. An excellent border plant for moist locations.

3-5ft/LSu-MFa/Z5-9/30ct ⑤

🏆 Award: RHS

***Lobelia speciosa* 'Fan Scarlet'**

LOBFS30, LOBFS72 (Cardinal Flower) Vivid scarlet flower spikes rise above compact mounds of bronze foliage. The well-branched plants fill out a 1 gallon container nicely. Blooms earlier than the species.

24in/MSu-EFa/Z5-9/30 & 72ct ⑤

🏆 Awards: FGM, RHS
