SUGAR TIP® Series

Go beyond the basics with these irresistible variegated selections. Stable, neat, and clean, the Sugar Tip® series keeps rose of Sharon interesting from spring through frost.

SUGAR TIP® (H. s. ‘America Irene Scott’ pp#20,579, cb#3582)
USDA 5, AHS 9, 5-6', gr 1.5
summer bloom, foliage interest
Item #: 29402 - 2 ¼" • 29404 - 4" • 29405 - Quick Turn

NEW
SUGAR TIP® Gold (H. s. ‘THEISSHSSTL’ ppaf, cbraf)
Just like the original Sugar Tip® rose of Sharon, but with bright golden-yellow variegation and showy lavender-purple double flowers. This is seedless selection prevents the spread of unwanted seedlings.
USDA 5, AHS 9, 4-5', gr 1.5
summer bloom, foliage interest
Item #: 29392 - 2 ¼" • 29394 - 4" • 29395 - Quick Turn

Hydrangea anomala • Climbing Hydrangea

Family: Hydrangeaceae (derived from Hydro-aggos: Greek for water-jar, from shape of capsules; anomala: deviating from the norm)

var. petiolaris
Climbing hydrangea is an elegant vine with glossy green leaves and lacy white flowers in June. Plant it on a tall tree or on a west-facing brick wall.
Awards: AGM, First Choice, GCA, PSC.
USDA 4, AHS 9, 30', gr 1, summer bloom
Item #: 40002 - 2 ¼" • 40004 - 4"

‘Firefly’ (H. a. pp#11,038)
A yellow variegated climbing hydrangea that really shines in spring. As summer progresses, gold leaf margins turn chartreuse.
USDA 4, AHS 9, 30', gr 1, summer bloom
Item #: 40202 - 2 ¼" • 40204 - 4"

Hydrangea arborescens • Smooth Hydrangea

Family: Hydrangeaceae (arbor-escens: becoming tree-like)

‘Annabelle’
USDA 3, AHS 9, 3-4', gr 1, summer bloom
Item #: 33402 - 2 ¼" • 33404 - 4"

LIME RICKEY® (H. a. ‘SMNHALR’ ppaf, cbraf)
Hot summer weather calls for a refreshing lime rickey! Cool, lime-green mophead blooms sport showy pink pollen and take on a marbleized jade effect as they age. Super strong stems make this fantastic in the landscape and as a fresh or dried cut flower. This staff favorite is now a Proven Winners® ColorChoice® variety. Prune once in early spring to produce a sturdy, compact container plant.
USDA 3, AHS 9, 4-5', gr 1, summer bloom
Item #: 33522 - 2 ¼" • 33524 - 4" • 33525 - Quick Turn

INCREDI BALL® (H. a. ‘Abetwo’ pp#20,571, cb#4166)
An improved ‘Annabelle’ hydrangea, Incrediball® has beefy stems and massive blooms. The breeding goal was stronger stems to eliminate flop, but we got incredibly large blooms too! Each one has roughly four times as many florets as ‘Annabelle’. Lightly fragrant. We recommend selling this plant in 2-gallon pots or larger. Native.
USDA 3, AHS 9, 4-5', gr 1, summer bloom
Item #: 33322 - 2 ¼" • 33324 - 4" • 33325 - Quick Turn
**INCREDIBALL® Blush** (*H. a. 'NCHA4' ppaf, cbraf*)

Incrediball® Blush hydrangea adds a new color to the series, with big, bodacious, blush-pink blooms that change to an attractive green color as they age. We recommend selling this plant in 2-gallon pots or larger. Native. Awards: Bronze Medal, Plantarium 2016.

USDA 3, AHS 9, 4-5', gr 1, summer bloom 🌻 🌸

**Item #:** 33842 - 2 ¼” • 33844 - 4” • 33845 - Quick Turn

INVINCIBLE MINI MAUVETTE™  Hydrangea

INVINCIBLE® Ruby Hydrangea

INVINCIBLE WEE WHITE®  Hydrangea

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden — NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
THE INVINCIBLE® Series

Totally innovative and truly unique – that’s the hallmark of all of Tom Ranney’s breeding, and it is on full display in these amazing new Hydrangea arborescens. The Invincibelle® series now includes five fabulous varieties, all reblooming, all with strong, supporting stems and reliability that makes grandmother ‘Annabelle’ proud. The Invincibelle® varieties are fast production plants that offer outstanding container presentation.

INVINCIBLE® LIMETTA® (H. a. ‘NCHA8’ ppaf, cbraf)

A beautiful rounded dwarf variety with dark green leaves and showy round flower heads that emerge a lush lime green, lighten to soft greenish-white, then age to green again. The stiff stems and dwarf habit will make growers, retailers, and gardeners very happy. Native.

USDA 3, AHS 9, 2.5-3’, gr 1, summer rebloomer

Item #: 33612 - 2 ¼” • 33614 - 4” • 33615 - Quick Turn

INVINCIBLE® MINI MAUVETTE™ (H. a. ‘NCHA7’ ppaf, cbraf)

A whole new color for smooth hydrangea. This dwarf rounded plant has dark green leaves and showy, mauve-purple mophead flowers. Native.

USDA 3, AHS 9, 2.5-3’, gr 1, summer rebloomer

Item #: 33882 - 2 ¼” • 33884 - 4” • 33885 - Quick Turn

INVINCIBLE® Ruby (H. a. ‘NCHA3’ ppaf, cbraf)

The first ever red flowered Hydrangea arborescens, the dark, burgundy red flower buds of Invincibelle® Ruby open to a two-toned combination of bright ruby red and silvery pink. The foliage is extra dark and the stems are strong, ensuring outstanding performance in the container as well as in the garden. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2 gallon pots or larger. Native. Awards: Bronze Medal, Plantarium 2016; 2017 DGA Green Thumb Award.

USDA 3, AHS 9, 3-4’, gr 1, summer rebloomer

Item #: 33572 - 2 ¼” • 33574 - 4” • 33575 - Quick Turn

INVINCIBLE® Spirit II (H. a. ‘NCHA2’ ppaf, cbraf)

This improved Invincibelle® Spirit hydrangea has darker foliage, stiffer stems, and larger flowers that are a richer pink, aging to an attractive green. This hydrangea grows from Manitoba to Mobile, blooming every year from mid-summer to frost. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2 gallon pots or larger. One dollar per plant sold is donated to the Breast Cancer Research Foundation. Native.

USDA 3, AHS 9, 3-4’, gr 1, summer rebloomer

Item #: 33862 - 2 ¼” • 33864 - 4” • 33865 - Quick Turn

INVINCIBLE® WEE WHITE® (H. a. ‘NCHA5’ ppaf, cbraf)

The smallest H. arborescens yet! This tiny, tidy hydrangea is a game changer with abundant flower heads that flush soft pink, aging to white then green. Strong, supportive stems prevent flopping. Native.

USDA 3, AHS 9, 1-2.5’, gr 1, summer rebloomer

Item #: 33832 - 2 ¼” • 33834 - 4” • 33835 - Quick Turn

$1.00 from each Invincibelle® Spirit II sold is donated to the Breast Cancer Research Foundation®. We encourage you to donate as well. BCRF is dedicated to preventing breast cancer and finding a cure in our lifetime by funding clinical and translational research worldwide.
PRE-BUDDED HYDRANGEAS
EASY – BEAUTIFUL – PROFITABLE!

Proven Winners® ColorChoice® pre-budded hydrangeas are a simple way to add a colorful, fast-turning hydrangea program to early spring sales. These heavy Quick Turn™ liners have been specially pruned to bloom in spring. Follow our 13 week recipe, include appealing Proven Winners tags and containers, and have blooming one gallon hydrangeas to ship for Mother’s Day! No minimum order required.

Pre-budded liners are available for the following:

Hydrangea involucrata • Bracted Hydrangea
Family: Hydrangeaceae (involucr-ata: Latin for envelope or wrapper, referring to the inflorescence)

**BLUE BUNNY™**
(H. i. ‘Wim Rutten’ pp#21,991)
Everyone who sees this unique variety in our trial gardens falls in love with it. A drift of blue flowers from mid-summer until fall! Developed by the late Wim Rutten of the Netherlands, this plant is as special as the man. This strong grower blooms on new wood, reliably and abundantly each year.

USDA 6, AHS 9, 2-4’, gr 1, summer bloom

Item #: 34512 - 2 ¼" • 34514 - 4"

**Hydrangea macrophylla** • Bigleaf Hydrangea
Family: Hydrangeaceae (macro-phyll-a: large leafed)

These colorful consumer favorites fly off the bench at garden centers! Bold, bright flowers may be mophead (full and spherical) or lacecap (flat and starry). Add aluminum sulfate to growing media to encourage lavender to blue flowers; alkaline soils and untreated growing media will produce pink-red ones. Bigleaf hydrangeas are fast and easy to grow, though we recommend that commercial growers cease fertilization in August and run the plants on the dry side so they harden off for winter.

**ABRACADABRA® Star**
(H. m. ‘HerAbstra’ pp#21,636)
Lacecap flowers emerge pink and white and mature to hot pink atop black satin stems. Developed by Katrin Meinl of Dresden Germany.

USDA 5, AHS 9, 3-4’, gr 0.5, summer bloom

Item #: 43814 - 4" • 43815 - Quick Turn

**EDGY® Hearts**
(H. m. ‘Horheart’ pp#22,236)
Large dark pinkish-red florets accented with a thin, pure white line on the margin make this small to medium sized plant with strong stems and glossy foliage very unique. Developed in Dresden, Germany by Katrin Meinl.

USDA 5, AHS 9, 2-4’, gr 0.5, summer bloom

Item #: 43784 - 4" • 43785 - Quick Turn

**CITYLINE® Series**
Tired of floppy, weak-stemmed hydrangeas, especially when shipping? The Cityline® series is the answer. Growth regulators are prohibited in Europe, so German breeders Franz-Xaver and Konrad Rampf developed this series that naturally take on tight, full habits without chemicals, shearing or pruning off flower buds. Large, vividly colored flowers, strong stems, and dark glossy foliage characterize these outstanding hybrids. All offer excellent mildew resistance. Cityline® creates a knockout one gallon, and the blooms can be shifted from pink to blue with the addition of aluminum sulfate.

**CITYLINE® Mars**
(H. m. ‘Ramars’)
Unusual bi-color flowers and high quality foliage.

USDA 5, AHS 9, 2-3’, gr 0.5, summer bloom

Item #: 37614 - 4" • 37615 - Quick Turn

**CITYLINE® Paris**
(H. m. ‘Paris Rapa’ pp#10,906)
The reddest hydrangea! Long lasting blooms.

USDA 5, AHS 9, 1-2’, gr 0.5, summer bloom

Item #: 37574 - 3” • 37575 - Quick Turn • 37575PB - Pre-Budded

**CITYLINE® Rio**
(H. m. ‘Ragra’)
This small to medium-sized plant is early blooming, with large, long-lasting blooms. Flower color ranges from strong blue to purple depending upon the availability of aluminum.

USDA 5, AHS 9, 2-3’, gr 0.5, summer bloom

Item #: 36044 - 4" • 36045 - Quick Turn

**CITYLINE® Venice**
(H. m. ‘Venice Raven’ pp#10,928)
Big, bright fuchsia-colored flowers are long-lasting and change to an attractive green with age. Glossy foliage.

USDA 5, AHS 9, 1-3’, gr 0.5, summer bloom

Item #: 37604 - 4” • 37605 - Quick Turn • 37605PB - Pre-Budded

**CITYLINE® Vienna**
(H. m. ‘Vienna Rawi’ pp#10,930)
Dark pink or blue flowers emerge with an attractive cream colored throat and remain large and showy.

USDA 5, AHS 9, 1-3’, gr 0.5, summer bloom

Item #: 38464 - 4” • 38465 - Quick Turn • 38465PB - Pre-Budded

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanical Garden. – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner

Hydrangea macrophylla continued

LET’S DANCE® Series

Developed in Grand Haven, Michigan, the Let’s Dance® series of reblooming bigleaf hydrangeas are the result of years of careful breeding and evaluation for cold-weather performance. We have cut plants back each fall to thoroughly test their ability to develop new wood flower buds even in cold, Midwestern conditions; we have left plants intact to test their bud hardness, too. In both respects, these six selections come out on top. If you find yourself in west Michigan in summer, stop by our trial gardens and see them for yourself!

LET’S DANCE® BIG EASY® (H. m. ‘Berner’ pp#22,329, cbr#4526)
The huge mophead blooms go through a delightful progression of color changes, from pink/green to pink, and often back to green.
USDA 5, AHS 2-3’, gr 0.5, summer rebloom
Item #: 38624 - 4’ • 38625 - Quick Turn • 38625PB - Pre-Budded

LET’S DANCE® BLUE JANGLES® (H. m. ‘SMHM100’ pp#27,026, cbr#4528)
A real standout in the garden and in the container because of its sturdy frame and propensity to rebloom, this is unusually compact for a reblooming hydrangea. Readily turns blue in the right soil conditions.
USDA 5, AHS 1-2’, gr 0.5, summer rebloom
Item #: 34834 - 4’ • 34835 - Quick Turn • 34835PB - Pre-Budded

LET’S DANCE® Diva! (H. m. ‘SMHM314’ pp#25,836, cbr#5127)
Supersized blooms have sepals the size of your palm and baby blue (or pink) lacecap blooms as big as a dinner plate. This floriferous rebloomer has been a huge hit with consumers! 2014 Shrub Madness® champion.
USDA 5, AHS 3-4’, gr 0.5, summer rebloom
Item #: 35154 - 4’ • 35155 - Quick Turn

LET’S DANCE® RAVE™ (H. m. ‘SMHM99’ pp#26,929, cbraf)
A strong, reliable bloomer with an abundance of mophead blooms ranging from a rich violet-purple color on acidic soils to an intense saturated pink on alkaline soils.
USDA 5, AHS 2-3’, gr 0.5, summer rebloom
Item #: 34824 - 4’ • 34825 - Quick Turn

LET’S DANCE® RHYTHMIC BLUE™ (H. m. ‘SMHMES14’ pp#25,836, cbr#5126)
One of our strongest rebloomers, the flowers of this Let’s Dance® hydrangea are truly amazing. The florets have distinctive star-shaped sepals that are packed into full, richly colored mophead flowers. Very easy shift from pink to amethyst-blue.
USDA 5, AHS 2-3’, gr 0.5, summer rebloom
Item #: 38744 - 4’ • 38745 - Quick Turn

LET’S DANCE® Starlight (H. m. ‘Lynn’ pp# 20,019, cbr#4069)
Let’s Dance® Starlight hydrangea is the first ever reblooming lacecap. It’s hardy, dependable and colorful. The massive blooms are vivid pink (or blue) with strong stems, and the plant has excellent container presentation.
USDA 5, AHS 2-3’, gr 0.5, summer rebloom
Item #: 38654 - 4’ • 38655 - Quick Turn

QUICK GUIDE TO THE LET’S DANCE® SERIES:

LET’S DANCE® BIG EASY®: extra large mophead, white eye in center, aging gracefully to green.

LET’S DANCE® BLUE JANGLES®: excellent blue color and great container presentation. Most compact rebloomer.

LET’S DANCE® Diva!: giant florets make this lacecap look more like a mophead. Exceptional bud hardness.

LET’S DANCE® RAVE™: purple blooms and heavy bud set.

LET’S DANCE® RHYTHMIC BLUE™: stellar rebloomer and easily turned blue. Florets have distinctive rectangular shape.

LET’S DANCE® Starlight: elegant lacecap, reliable rebloomer.
**Hydrangea paniculata** • Panicle Hydrangea

**Family**: Hydrangeaceae (paniculata: panicle-like, referring to the shape of the inflorescence)

---

**BOBO**<sup>®</sup> (*H. p. ‘ILVOBO’ pp#22,782, cbr#4910*)

This dwarf hydrangea will turn heads! Brought to us by the breeder of Pinky Winky<sup>®</sup>, Bobo<sup>®</sup> hydrangea is engulfed by large white flowers in summer. Flowers are held upright on strong stems, and continue to grow and lengthen as they bloom. This early blooming variety is an undeniable asset to any small garden. Award: Gold Floral award for best novelty plant.

USDA 3, AHS 8, 30-36" tall, 36-48" wide, gr 1

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 39162 - 2 ¼" • 39164 - 4" • 39165 - Quick Turn

---

**FIRE LIGHT**<sup>®</sup> (*H. p. ‘SMHPFL’ pp#25,135, cbr#5160*)

The new standard by which to measure all hardy hydrangeas. Upright panicles are packed with florets that transform from pure white to pink and finish a rich pomegranate-red. Its thick, sturdy stems present well in containers as well as the garden. Growers will like it as much as gardeners do! 2015 Shrub Madness<sup>®</sup> champion.

USDA 3, AHS 8, 4.5-6" long, gr 0.5

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 38922 - 2 ¼" • 38924 - 4" • 38925 - Quick Turn

---

**‘Limelight’** (*H. p. pp#12,874, cbr#2319*)

Lime green flowers are held upright on strong stems, then mature to an incredible combination of green, pink and burgundy in autumn. Hybridized by noted plantsman Pieter Zwijnenburg Jr. Awards: GMPA; AGM; Plant of Merit 2011, MOBOT.

USDA 3, AHS 9, 6-8" tall, gr 0.5

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 39192 - 2 ¼" • 39194 - 4" • 39195 - Quick Turn

---

**LITTLE LIME**<sup>®</sup> (*H. p. ‘Jane’ pp#22,330, cbr#3914*)

Dwarf form of the ever popular ‘Limelight’, Little Lime<sup>®</sup> hydrangea sports the same great flowers and coloration but is just a third the size of the original. It’s a great choice for container gardens and smaller landscapes. Awards: 2011 Best New Plant ANLA Management Clinic; Gold Medal Plantarium 2013.

USDA 3, AHS 8, 3-5" tall, gr 1

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 39232 - 2 ¼" • 39234 - 4" • 39235 - Quick Turn

---

**‘Little Lamb’** (*H. p. pp#15,395*)

A special hydrangea with diminutive florets tightly packed into full flower heads. The showy panicles dance above this compact plant like little lambs. Hybridized by Jelena DeBelder of Belgium.

USDA 3, AHS 8, 4-6" long, gr 1

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 39292 - 2 ¼" • 39294 - 4" • 39295 - Quick Turn

---

**Little QUICK FIRE**<sup>®</sup> (*H. p. ‘SMHPLQF’ pp#25,136, cbr#5406*)

It has the same early bloom time as the original Quick Fire<sup>®</sup> hydrangea, but this dwarf plant is about one-third the size. The flowers quickly age to a deep burgundy red before other varieties start to flower. The compact habit gives it wonderful container presentation at retail, and also makes it a good choice for patio planters.

USDA 3, AHS 8, 3-5" tall, gr 1

- early summer bloom 🌞 🌋 🌋 🌋
- Item #: 39322 - 2 ¼" • 39324 - 4" • 39325 - Quick Turn

---

**MEGA MINDY**<sup>®</sup> (*H. p. ‘ILVOMINDY’ pp#23,070, cbr#4911*)

This fast-growing hydrangea’s large flowers emerge white before changing to pinkish red in late summer. Blooms are held upright on very sturdy stems - great for cutting. Its compact habit is great for smaller landscapes. From the breeder of Pinky Winky<sup>®</sup> hydrangea.

USDA 3, AHS 8, 4.5-5.5" tall, gr 1

- summer bloom 🌞 🌋 🌋 🌋
- Item #: 39152 - 2 ¼" • 39154 - 4"
'Little Lamb' Hydrangea

Little QUICK FIRE® Hydrangea
Hydrangea paniculata

**PINKY WINKY**® (H. p. ‘DVP PINKY’ pp#16,166, cb#28889)
An incredible hydrangea with unique, two-toned flower heads in mid-summer. The 12-16” long flowers emerge white, turn pink, and continue to push new white florets from the tip of the panicle. The flowers are held upright on thick, rigid stems. Makes a spectacular specimen or flowering hedge. Dr. Johan Van Huylenbroeck developed this beauty at the Flemish ILVO breeding station. Award: AGM.

USDA 3, AHS 8, 6-8’, gr 1, summer bloom 🌞 🌷 🌹 🌹
Item #: 39382 - 2 ¼” • 39384 - 4” • 39385 - Quick Turn

**PILLOW TALK**® (H. p. ‘SMHPZIND’ pp#26,620, cb#5162)
Who doesn’t like pink? Watch a delightful parade of color changes as bright lime green flowers mature to pure white, then blush with pink as summer progresses. Large, full panicles are held upright on sturdy stems. Great in the garden, and makes a dynamite cut flower.

USDA 3, AHS 8, 6-8’, gr 1, summer bloom 🌞 🌷 🌹 🌹
Item #: 38852 - 2 ¼” • 38854 - 4”

**POLAR BALL™** (H. p. ‘WRHPBB2’ pp#25,837, cb#5407)
The bigger the show, the bigger the sales! Huge florets give this new hydrangea a nice, full appearance. The oversized flowers are held up nicely by sturdy stems and are packed with pure white flowers, making it an excellent production plant with good container presentation.

USDA 3, AHS 8, 6-8’, gr 1, summer bloom 🌞 🌷 🌹 🌹
Item #: 39352 - 2 ¼” • 39354 - 4”

**QUICK FIRE®** (H. p. ‘Bulk’ pp#16,812, cb#33398)
Get a jump on hydrangea sales with the earliest blooming paniculata available! White blooms appear early in the season and turn deep pink before ‘Pink Diamond’ even begins to bloom. Outstanding fall foliage, too. Bred by Mark Bulk, Boskoop, Netherlands.

USDA 3, AHS 8, 6-8’, gr 1, early summer bloom 🌞 🌷 🌹 🌹
Item #: 39042 - 2 ¼” • 39044 - 4” • 39045 - Quick Turn

**ZINFIN DOLL®** (H. p. ‘SMNHPRZEP’ pp#26,956, cb#237)
A unique new hardy hydrangea with loads of beautiful, dense blooms that emerge pure white, and much like Pinky Winky®, turn bright pink from the bottom up, then age to a dark red-pink. Growers and gardeners both will appreciate this plant’s strong stems and unique flower color.

USDA 3, AHS 8, 6-8’, gr 1, summer bloom 🌞 🌷 🌹 🌹
Item #: 38872 - 2 ¼” • 38874 - 4” • 38875 - Quick Turn

**Hydrangea quercifolia** • Oakleaf Hydrangea

‘Alice’
Strong growing selection from Dr. Dirr with 12” white panicles. Dark green foliage and burgundy fall color. Native.

USDA 5, AHS 9, 6-10’, gr 1, summer bloom 🌞 🌷 🌹 🌹
Item #: 40504 - 4”

**Family:** Hydrangeaceae (querci-folia: Latin for oak-leafed)

---

**AWARDS:** AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden. — **NOTE:** gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
Just as The Great Gatsby is a classic of American literature, *H. quercifolia* is a classic native plant. Long prized by savvy gardeners, it’s time to bring this intriguing North American beauty to a wider market.

**GATSBY GAL®** *(H. q. 'Brenhill' pp#25,106, cbr#5304)*
An elegant, compact oakleaf with lots of impressively large flowers. Full panicles of pure white blooms are held upright above the foliage, and are quite large relative to the plant’s compact size, making it an ideal choice for smaller gardens. Native.*
USDA 5, AHS 9, 5-6’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40934 - 4” • 40935 - Quick Turn

**GATSBY MOON®** *(H. q. ‘Brother Edward’ pp#25,413, cbr#5348)*
Densely packed, doubled flowers are held on stronger stems than ‘Harmony’. The pure white florets create full, dense mophead panicles with a unique “quilted” effect. As the bloom ages, it turns a nice shade of green that lasts through most of the summer. Native.*
USDA 5, AHS 9, 6-8’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40594 - 4” • 40595 - Quick Turn

**GATSBY PINK®** *(H. q. ‘JoAnn’ pp#27,879, cbraf)*
A remarkable oakleaf that boasts big showy blooms that quickly transform from pure white to an incredible rich pink. The dark green foliage turns mahogany-red in autumn. Another great plant developed by Powell Gardens of Kingsville, MO. Native.
USDA 5, AHS 9, 6-8’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40684 - 4” • 40685 - Quick Turn

**GATSBY STAR®** *(H. q. ‘Doughill’ pp#25,412, cbr#5305)*
It’s got star power! Doubled blooms are similar to those of ‘Snowflake’, but the individual petals are pointed instead of rounded. The result is a beautiful, lacy panicle – and a very showy plant. Native.*
USDA 5, AHS 9, 6-8’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40984 - 4” • 40985 - Quick Turn

**‘Little Honey’** *(pp#15,477)*
The foliage of this branch sport of the dwarf selection ‘Pee Wee’ emerges gold and then changes to a pleasing chartreuse as the season progresses. Brilliant red autumn foliage. Discovered by Peter Catt of the UK. Native.
USDA 5, AHS 9, 3-4’, gr 1.5, summer bloom, fall foliage 🌞 🌙
Item #: 40714 - 4”

**‘Munchkin’**
Developed by the U.S. National Arboretum, ‘Munchkin’ has a compact form and dense habit that makes it ideal for use in residential landscapes. Abundant white inflorescences appear in early summer, and gradually turn medium pink. The dark green foliage turns mahogany-red in fall. Native. Award: Theodore Klein Award.
USDA 5, AHS 9, 3’ tall, gr 1.5, summer bloom, fall foliage 🌞 🌙
Item #: 40744 - 4”

**‘Pee Wee’**
This very desirable dwarf selection has abundant white flower heads in early to mid-summer and excellent wine red autumn foliage. Its low compact habit is great for smaller gardens. Discovered by Richard Scott and Russell Blue of Alabama Nursery. Native. Awards: Theodore Klein.
USDA 5, AHS 9, 4-5’, gr 1.5, summer bloom, fall foliage 🌞 🌙
Item #: 40804 - 4”

**‘Ruby Slippers’**
A lovely plant whose white summer flowers quickly turn pale pink, then deepen to rose, and are held upright above the foliage. Flowers may reach 9 inches in length. Mahogany-red color in fall. The compact habit and large, upright inflorescences make it well-suited for residential gardens. Developed by the USNA from a cross of ‘Snow Queen’ and ‘Pee Wee’. Native.
USDA 5, AHS 9, 3-3.5’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40874 - 4”

**‘Snow Queen’**
Large, tightly packed, pure white panicles are held upright to create a unique summer flower display; they then fade to light pink. Leathery leaves have a superb burgundy color. Selected by William Flemer III. Native. Awards: GMPA, PSC.
USDA 5, AHS 9, 7-10’, gr 1, summer bloom, fall foliage 🌞 🌙
Item #: 40974 - 4”

*Bred by Douglas and Brenda Hill, Cleveland, AL.*
**Hydrangea serrata** • Mountain Hydrangea

*Family: Hydrangeaceae (serrat-a: serrated or toothed, referring to the leaves)*

*H. serrata* is native to mountainous regions of Asia and Japan, and is better suited to cold conditions than its close relative *H. macrophylla*, which is native to milder coastal regions. We have liked *H. serrata* for years because of its improved bud hardness, but Tuff Stuff™ hydrangeas up the ante further: they rebloom.

### Tiny TUFF STUFF™

(H. s. ‘MAKD’ pp#24,842, cbr#5125)

This is a real beauty, with flowers so delicate and refined that it seems strange to call them tough. But they are. Extremely bud-hardy, this rebloomer reliably produces abundant lacecap flowers comprised of doubled sepals. While this plant leans blue, the flower color may range from blue to pink.

- USDA 5, AHS 9, 1.5 - 2", gr 0.5, summer rebloomer
- Item #: 43904 - 4" • 43905 - Quick Turn

### TUFF STUFF™

(H. s. ‘MAK20’ pp#24,820, cbr#4527)

Our hydrangea breeding goal was to deliver improved bud and stem hardness in addition to the ability to flower on new wood. This serrata delivers on both accounts. Its attractive, reddish-pink, lacecap flowers create a mass of color in early summer. It continues to produce new buds and flowers right up until frost. The semi-double to double florets open with creamy coloration in the center before maturing to an intense pink. Award: Gold Medal Plantarium 2012, 2017 Shrub Madness® champion.

- USDA 5, AHS 9, 2-3", gr 0.5, summer rebloomer
- Item #: 43874 - 4" • 43875 - Quick Turn • 43875PB - Pre-budded

### TUFF STUFF™ Red

(H. s. ‘SMNMAKTSR’ ppaf, cbraf)

Get the improved bud and stem hardiness, the reblooming habit, and the double lace cap flowers of the original Tuff Stuff™ hydrangea, but in dark red-pink. Flowers open up a two-toned green and red and then mature to red. Strong stems give this mounded hydrangea appeal both in the container and the garden.

- USDA 5, AHS 9, 2-3", gr 0.5, summer rebloomer
- Item #: 43854 - 4" • 43855 - Quick Turn • 43855PB - Pre-budded

### TUFF STUFF AH-HA™

(H. s. ‘SMNHSDD’ ppaf, cbraf)

A standout plant in our field and container trials, this beauty has dinner plate-sized blooms encircled with large, pastel, waterlily-like double flowers of blue or pink. It is one of our strongest rebloomers so it is nearly always in flower during the season.

- USDA 5, AHS 9, 2-3", gr 1, summer rebloomer
- Item #: 41954 - 4" • 41955 - Quick Turn

### TWIRLIGIG™

(H. s. ‘Shojo’)

An amazingly reliable bloomer with beautiful swirls of soft pink sterile florets encircle the rich pink fertile flowers in a parade of twirling blooms. This tough, bud hardy hydrangea is very showy, and has great potential for retail sales. An excellent landscape plant!

- USDA 5, AHS 9, 4-5", gr 0.5, summer bloom
- Item #: 42674 - 4"

### Hypericum • St. John’s-Wort

*Family: Hypericaceae (Hyperi-cum: Greek name describing a heath-like habit)*

‘Albury Purple’ (H. androsaemum)

Rich velvety purple leaf tips, yellow flowers and attractive dark red fruit give it special appeal. Low mounding habit makes it perfect for mass plantings.

- USDA 6, AHS 8, 18-24", gr 0.5, summer bloom
- Item #: 45002 - 2 ¼" • 45004 - 4"

### BLUES FESTIVAL®

(H. kalmianum ‘SMHKBF’ pp#25,795, cbr#5306)

Looking for a better blue? This is it. Attractive blue leaves contrast with bright yellow flowers in July and August - a very appealing combination. Tightly branched, compact growth and a long bloom time makes this a good native plant for landscaping, and gives it great container presentation at retail, too. Native.

- USDA 4, AHS 8, 2-3", gr 1, summer bloom
- Item #: 45482 - 2 ¼" • 45484 - 4" • 45485 - Quick Turn
**‘Sunburst’** *(H. frondosum)*
Charming blue-green foliage is overlaid in summer with an abundance of large, bright yellow flowers. Native. Award: PSC.
USDA 5, AHS 8, 3', gr 1, summer bloom
Item #: 45242 - 2 ¼" • 45244 - 4"

**SUNNY BOULEVARD™** *(H. x ‘Deppe’ pp#20,045, cbr#3587)*
This tightly branched shrub is noted for its long bloom time, beginning in July and continuing until September. The rich yellow flowers are small but numerous, and the leaves are willow-like. Native.
USDA 4, AHS 8, 2-3', gr 1, summer bloom
Item #: 45172 - 2 ¼" • 45174 - 4" • 45175 - Quick Turn

**ilex cornuta • Chinese Holly**
*Family: Aquifoliaceae (ilex: ancient Latin name for Quercus ilex, corn-uta: heavy horns)*

**‘Carissa’**
A staple in Southern and warm climates thanks to its very dwarf, wider-than-tall habit. Evergreen with leathery, spine-free leaves. Rarely bears fruit. A well-behaved favorite of landscapers and designers.
USDA 7, AHS 9, 3-4', gr 1.5, evergreen
Item #: 46294 - 4"

**‘Burfordii Nana’**
Dwarf Burford holly is a heat and drought tolerant evergreen that can be grown as a shrub or small tree. Darker, glossier foliage and much more compact than ‘Burfordii’. Fragrant flowers are followed by red fruit, even without a pollinator present.
USDA 7, AHS 9, 6-8', gr 1.5, evergreen
Item #: 46304 - 4"

**ilex crenata • Japanese Holly**
*Family: Aquifoliaceae (crenat-a: notched)*

**BRASS BUCKLE®** *(I. c. ‘ANNYS1’ pp#26,997)*
Cute as a button, this diminutive, finely textured Japanese holly shines all year long with glossy, clear yellow, burn resistant foliage. Perfect for patio containers, edging walks and borders or for mass planting. We prefer the clear, bright color of this plant to that of other varieties. Developed by Andre van Nijnatten of the Netherlands.
USDA 6, AHS 8, 12-18", gr 1, evergreen
Item #: 46402 - 2 ¼" • 46404 - 4" • 46405 – Quick Turn

**‘Sky Pencil’**
Tight columnar growth looks like a pencil reaching for the sky.
USDA 6, AHS 8, 4-5', gr 1, evergreen
Item #: 46422 - 2 ¼" • 46424 - 4"

**PATTI O®** *(I. c. ‘FARROWSK6’ pp#25,852)*
Another great plant from Maryland plantsman Mike Farrow. Smaller than its sister, Sky Pointer®, Patti O® ilex has smaller, darker leaves and glossier foliage. Much darker than typical *I. crenata*, this petite evergreen is scaled for smaller gardens and patios, and is perfect for selling in pairs to flank a formal entry. Its upright habit also makes it an excellent evergreen hedge or boxwood replacement.
USDA 6, AHS 8, 4-5', gr 1, evergreen
Item #: 46552 - 2 ¼" • 46554 - 4" • 46555 - Quick Turn

**‘Soft Touch’**
Dr. Mike Dirr insisted we offer this selection. Just like the name says - it has a pleasing soft texture! Small compact globe form with lustrous, dark green foliage.
USDA 6, AHS 8, 3-4', gr 1, evergreen
Item #: 46452 - 2 ¼" • 46454 - 4"

**SKY POINTER®** *(I. c. ‘Farrowone’ pp#20,049)*
Add some architecture to your garden or decorative container with this narrow, conical seedling of ‘Sky Pencil’ holly. Shiny, dark evergreen leaves and tight upright branching make this a must-have plant. It was selected for its superior production performance by Mike Farrow of Holly Hill Farms, Earleville, MD.
USDA 6, AHS 8, 4-5', gr 1, evergreen
Item #: 46352 - 2 ¼" • 46354 - 4" • 46355 - Quick Turn
Ilex glabra • Inkberry Holly
Family: Aquifoliaceae (glabra: smooth or bald; lacking hairs)

‘Compacta’
A great alternative to boxwood, it has glossy dark green foliage and a broad pyramidal form. Branching is compact right down to the ground, never looking naked or leggy. An F&F Nursery selection. Native.
USDA 5, AHS 9, 3-4, gr 1, evergreen
Item #: 46792 - 2 ¼" • 46794 - 4"

‘Densa’
A wonderful, hardy plant with glossy dark green foliage, it has a broad, upright habit. Holds its foliage right down to the ground. Native. Award: GMPA.
USDA 5, AHS 9, 3-4, gr 1, evergreen
Item #: 46902 - 2 ¼" • 46904 - 4"

GEM BOX® (I. g. ‘SMNIGAB17’ pp#27,554, cbraf)
Ideal boxwood substitute! This dense, ball-shaped plant has small, dainty, dark green leaves with attractive red tips during the spring flush. Maintains good branching right to the ground so it never looks bare legged like other cultivars. Great as a small evergreen hedge or as a container specimen. Easily sheared in to balls, boxes, or tuna cans.
USDA 5, AHS 9, 2-3, gr 1, evergreen
Item #: 47252 - 2 ¼" • 47254 - 4" • 47255 - Quick Turn

‘Shamrock’
A standout with bright glossy green foliage and a compact upright habit. Native.
USDA 4, AHS 9, 3-4, gr 1, evergreen
Item #: 47182 - 2 ¼" • 47184 - 4"

Ilex x meserveae • Blue Holly
Family: Aquifoliaceae (I. rugosa x I. aquifolium, named for hybridizer Kathleen Meserve)

‘Blue Prince’
A hardy hybrid with dark green foliage. Used as the male pollinator for ‘Blue Princess’. Hybridized by Kathleen Meserve.
USDA 5, AHS 7, 5-6, gr 1.5, evergreen
Item #: 48952 - 2 ¼" • 48954 - 4"

‘Blue Princess’
Dark blue-green leaves, and abundant dark red berries adorn this broad, irregular, rounded shrub. Use ‘Blue Prince’ as the pollinator. Hybridized by Kathleen Meserve.
USDA 5, AHS 7, 5-7, gr 1.5, evergreen
Item #: 48962 - 2 ¼" • 48964 - 4"

CASTLE SPIRE® (I. x m. ‘Hachfee’ pp#14,310)
A beautiful compact, pyramidal blue holly with large, lustrous, dark green leaves, bright red berries and superior branching. A great foundation, specimen or hedge plant and alternative to ‘Capitata’ yew. Use Castle Wall® ilex as the pollinator. Hybridized by Holger Hachmann, the renown rhododendron breeder of Holstein, Germany.
USDA 5, AHS 7, 8-10, gr 1, evergreen
Item #: 49032 - 2 ¼" • 49034 - 4" • 49035 - Quick Turn

CASTLE WALL® (I. x m. ‘Heckenstar’ pp#14,308)
A broad-columnar shaped, male blue holly with lustrous dark green leaves and superior, compact branching. Also pollinator for Castle Spire® and Pharos Gold™ ilex. A great foundation, specimen or hedge plant that can be used as you would Hicks yew. A Holger Hachmann hybrid. Award: Bronze Medal Royal Boskoop Horticulture Society.
USDA 5, AHS 7, 5-8, gr 1, evergreen
Item #: 49012 - 2 ¼" • 49014 - 4" • 49015 – Quick Turn

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
PHAROS GOLD™ (I. x m. ‘David Carroll’ pp#26,026, cbraf)
Blue holly just got a lot more colorful! Each spring, new growth flushes a bright, attractive lime-gold. And of course, you get the hardiness and red berries you expect from a female blue holly. Developed by Carroll Nurseries of Cochranton, PA; formerly known as Castle Gold™. Use Castle Wall® as the pollinator.
USDA 5, AHS 7, 5-6’, gr 1.5, evergreen
Item #: 47472 - 2 ¼” • 47474 - 4” • 47475 - Quick Turn

RED BEAUTY® (I. x ‘Rutzan’ pp#14,750)
A distinctive holly that combines dark glossy foliage with an abundance of bright red fruit, it is very densely branched, with a narrow conical form. ‘Blue Prince’ is a suitable pollinator. A cross between I. x meserveae and I. pernyi developed by Elwin Orton of Rutgers University.
USDA 5, AHS 9, 5-8’, gr 1.5, evergreen
Item #: 49762 - 2 ¼” • 49764 - 4”

Ilex verticillata • Winterberry Holly
Family: Aquifoliaceae (verticill-ata: whorled leaf arrangement)

BERRY HEAVY® (I. v. ‘Spravy’)
Large, bright orange-red berries put on a spectacular winter show. We watched this plant for years, and believe it rivals all other winterberry selections for its sheer volume of fruit. Leaves drop earlier, resulting in a better fruit display. Use Mr. Poppins® ilex as the male. Selected by Dale Deppe. Native.
USDA 3, AHS 8, 6-8’, gr 1.5, winter interest
Item #: 48082 - 2 ¼” • 48084 - 4” • 48085 - Quick Turn

BERRY HEAVY® Gold (I. v. ‘Roberta Case’)
Strike it rich with Berry Heavy® Gold, the winterberry with the biggest, brightest gold fruit yet. You will treasure this plant for gardens, mass plantings or as a cut branch. Selected by the late, great plantsman and conservationist Fred Case of Saginaw, Michigan. Use Mr. Poppins® ilex as pollinator. Native.
USDA 3, AHS 8, 6-8’, gr 1.5, winter interest
Item #: 48352 - 2 ¼” • 48354 - 4” • 48355 - Quick Turn

BERRY POPSINS® (I. v. ‘FARROWBPOP’ pp#25,835, cbref5286)
An excellent, heavy fruiting dwarf winterberry, Berry Poppins® is ideal for gardeners who want bright winter color and fruit for cutting but don’t have room for a typical I. verticillata. It is heavier fruiting than ‘Red Sprite.’ Use Mr. Poppins® ilex as pollinator. Native.
USDA 3, AHS 8, 3-4’, gr 1.5, winter interest
Item #: 48152 - 2 ¼” • 48154 - 4” • 48155 - Quick Turn

MR. POPPSINS® (I. v. ‘FARROWMRP’ pp#25,834, cbref5287)
Pollinator for female Proven Winners® Ilex verticillata varieties. Native.
USDA 3, AHS 8, 3-4’, gr 1.5, foliage plant
Item #: 48162 - 2 ¼” • 48164 - 4” • 48165 - Quick Turn

‘Jim Dandy’
A compact male pollinator for ‘Afterglow’ and ‘Red Sprite’. Native. Award: PSC.
USDA 3, AHS 8, 3-6’, gr 1.5, foliage plant
Item #: 48222 - 2 ¼” • 48224 - 4”

LITTLE GOBLIN® Guy (I. v. ‘NCIV3’ ppaf, cbraf)
Pollinator for the Little Goblin® ilex series. Native.
USDA 3, AHS 8, 3-4’, gr 1.5, winter interest
Item #: 48192 - 2 ¼” • 48194 - 4” • 48195 - Quick Turn

Ilex Size and Habit Comparison Chart
Ilex

**LITTLE GOBLIN® Red** (I. v. ‘NCIV1’ pp#27,109, cbraf)
This tetraploid winterberry brings you abundant, extra-large red berries on a dwarf plant. Long berry retention and compact habit makes it ideal for residential landscapes. Developed by Dr. Thomas Ranney of NCSU. Use Little Goblin® Guy ilex as pollinator. Native.
USDA 3, AHS 8, 3-5’, gr 1.5, winter interest 🌸ࡢשת图片来源：Danielle Conforti
Item #: 48582 - 2 ¼” • 48584 - 4” • 48585 - Quick Turn

**LITTLE GOBLIN® Orange** (I. v. ‘NCIV2’ ppaf, cbraf)
An extremely precocious winterberry with abundant, bright orange berries on a waist-high plant. Its compact habit makes it perfect for residential landscapes or large commercial mass plantings. Developed by Dr. Thomas Ranney of NCSU. Use Little Goblin® Guy ilex as pollinator. Native.
USDA 3, AHS 8, 3-4’, gr 1.5, foliage plant 🌸 GetStringDish123
Item #: 48542 - 2 ¼” • 48544 - 4” • 48545 - Quick Turn

**‘Southern Gentleman’**
Male pollinator for ‘Winter Red.’ Native.
USDA 4, AHS 8, 6-9’, gr 1.5, foliage interest 🌸 GetStringDish123
Item #: 48432 - 2 ¼” • 48434 - 4”

**‘Winter Red’**
Persistent, brilliant red fruit. An outstanding Simpson Nursery introduction. Use ‘Southern Gentleman’ as the male. Native. Award: GMPA.
USDA 3, AHS 8, 6-8’, gr 1.5, winter interest 🌸 GetStringDish123
Item #: 48532 - 2 ¼” • 48534 - 4”

**Ilex vomitoria • Yaupon holly**
Family: Aquifoliaceae (vomitor-ia: emetic)

**‘Nana’**
A dwarf form of this fine textured evergreen, much favored by landscapers for its adaptability and versatility. Dwarf yaupon holly forms a low, broad mound that takes well to shearing and pruning. Tolerant of heat, drought, salt spray, and challenging soil conditions. Native.
USDA 7, AHS 10, 4-5’, gr 1.5, evergreen 🌸 GetStringDish123
Item #: 48732 - 2 ¼”

**Itea virginica • Sweetspire**
Family: Saxifragaceae (It-ea: Greek name for willow)

**‘Henry’s Garnet’**
Loads of long, white flowers in early summer and dark reddish-purple fall color. Discovered by Mary Henry, introduced by Woodlanders and named by the Scott Arboretum. Native. Awards: GMPA, GCA.
USDA 5, AHS 9, 3-4’, gr 1 summer bloom, fall foliage 🌸 GetStringDish123
Item #: 50902 - 2 ¼” • 50904 - 4”

**LITTLE HENRY®** (I. v. ‘Sprich’ pp#10,988)
A compact native plant with great fall color - what more could you want? How about fragrant white flowers in the early summer? Perfectly suited for landscaping large banks, beds, and borders, this itea also has great container presentation. Developed by Richard Feist. Native. Award: PSC.
USDA 5, AHS 9, 24-36”, gr 1 summer bloom, fall foliage 🌸 GetStringDish123
Item #: 50922 - 2 ¼” • 50924 - 4” • 50925 - Quick Turn

**SCENTLANDIA™** (I. v. ‘SMNIVDFC’ ppaf, cbraf)
A game-changing plant on several accounts: first, it is the most fragrant itea we have ever sniffed, and we have sniffed a lot of itea. Next, this compact selection has superior bud hardness, giving your more reliable blooming especially in colder climates where flower buds are often damaged. To top it all off, the autumn foliage color is a very attractive burgundy red. It’s one sweet plant. Native.
USDA 5, AHS 9, 24-36”, gr 1 summer bloom, fall foliage 🌸 GetStringDish123
Item #: 51102 - 2 ¼” • 51104 - 4” • 51105 - Quick Turn

**AWARDS:** AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden. **NOTE:** gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
Juniperus • Juniper

Family: Cupressaceae (Juniperus: ancient Latin name for the plant)

‘Blue Rug’ (J. horizontalis syn. ‘Wiltonii’) Prostrate evergreen with steely blue foliage. The creeping habit is good for rock gardens or to stabilize embankments. Adaptable groundcover; takes on purple tones in winter. Native.
USDA 3, AHS 9, 1-3’ tall and 6-10’ wide, gr 1.5, evergreen 🌟
Item #: 51234 - 4”

‘Blue Star’ (J. squamata) Slow growing evergreen with a low-mounded habit and spiky blue-green foliage with a distinctive texture. Tolerant of most soils but not suited to the deep South.
USDA 4, AHS 8, 1-3’ tall and 1-4’ wide, gr 1.5, evergreen 🌟
Item #: 51574 - 4”

‘Gold Cone’ (J. communis) This upright, narrow, columnar evergreen has golden new growth, and holds its color well through the season. Winter brings bluish-green coloration.
USDA 5, AHS 7, 3-5’ tall and 1-2’ wide, gr 1.5, evergreen 🌟
Item #: 51724 - 4”

GOOD VIBRATIONS® Gold (J. h. ‘Hegedus’ pp#22,743, cbraf#4643) Unlike other junipers, this beauty is soft to the touch. Seasonal color changes add to its appeal: in spring it emerges chartreuse, changes to bright yellow in summer and takes on orange hues in the autumn. A sport of ‘Hughes’, it has the same habit and drought tolerance, but in vivid yellow. Native.
USDA 3, AHS 9, 1’ tall and 7-9’ wide, gr 1, evergreen 🌟
Item #: 51202 - 2 ¼” • 51204 - 4” • 51205 - Quick Turn

Kerria japonica • Japanese Kerria

Family: Rosaceae (Kerria: named for William Kerr, Kew Gardener and Collector)

CAT’S EYE™ (K. j. ‘Shandale’ pp#21,975) This variegated sport of ‘Shannon’ will light up shady areas and provide season-long interest with its consistent, creamy-white leaf margins and bright yellow flowers. Vivid green stems shine during the winter months. Compact, upright habit for good container presentation and garden performance.
USDA zone 5, AHS zone 9, 1.5-3’, gr 1, spring bloom 🌟
Item #: 52242 - 2 ¼” • 52244 - 4”

USDA 5, AHS 9, 3-5’, gr 1, spring bloom 🌟
Item #: 52062 - 2 ¼” • 52064 - 4”

‘Pleniflora’ Golden blooms reminiscent of giant dandelions appear when lilacs are blooming. As a bonus, summer rebloom typically occurs. The attractive Kelly-green stems provide refreshing winter interest. Thrives in light shade. Award: AGM.
USDA 5, AHS 9, 4-5’, gr 1, spring bloom 🌟🌟🌟
Item #: 52152 - 2 ¼” • 52154 - 4”

Lagerstroemia indica • Crapemyrtle

Family: Lythraceae (Lagerstroemia: Named after Magnus Lagerstroem, a friend of Carl Linnaeus; indica, from India)

INFINITINI® Series These new dwarf crapemyrtle were developed by noted plant breeder Dr. Mike Uchneat, the inventor of Wave® petunia and Dragon Wing® begonia. The breeding goal was to develop small, container-friendly shrubs that could quickly be grown from a spring liner to a finished, saleable, heavy-blooming plant in the same season. Mission accomplished – and with exceptional hardiness, to boot.

INFINITINI® Brite Pink (L. i. ‘G2X133143’ pp#27,452, cbraf) More flowers, less space! A ball of bright pink flowers that bloom all summer long.
USDA 6, AHS 10, 2-4’, gr 0.5, summer rebloomer 🌟🌟🌟
Item #: 53582 - 2 ¼” • 53584 - 4” • 53585 - Quick Turn

INFINITINI® Magenta (L. i. ‘G2X133271’ pp#27,474, cbraf) A heavy blooming, dense, mound plant with rich, dark pink-red blooms and clean foliage.
USDA 6, AHS 10, 2-4’, gr 0.5, summer rebloomer 🌟🌟🌟
Item #: 53622 - 2 ¼” • 53624 - 4” • 53625 - Quick Turn

GOOD VIBRATIONS® Gold-Juniper

GOOD VIBRATIONS® Gold-Juniper
INFINITINI® Orchid (L. i. 'G2X133251' pp#27,633, cbraf)
This compact, low-arching plant has loads of showy lavender-purple flowers. This plant fits easily into landscapes and container designs.
USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53302 - 2 ¼" • 53304 - 4" • 53305 - Quick Turn

INFINITINI® Purple (L. i. 'G2X13368' ppaf, cbraf)
Abundant dark purple blooms adorn this compact crapemyrtle with an extended bloom time. A cutback shrub in the colder part of its hardiness range, but will regrow and flower later in the season without fail. An excellent production plant with outstanding container presentation.
USDA 6, AHS 10, 3-5', gr 0.5, summer rebloomer
Item #: 53022 - 2 ¼" • 53024 - 4" • 53025 - Quick Turn

INFINITINI WATERMELON® (L. i. 'G2X133181' ppaf, cbraf)
An abundance of luscious watermelon-pink blooms adorn this dwarf, low mounded crapemyrtle. Extra hardy and strong blooming, this plant is great in production and has outstanding presentation in the container. It is a dieback shrub in colder regions but grows back quickly and flowers on new wood.
USDA 6, AHS 10, 2-4', gr 0.5, summer rebloomer
Item #: 53592 - 2 ¼" • 53594 - 4" • 53595 - Quick Turn

DOUBLE DYNAMITE® (L. i. 'WHIT X' pp#27,085)
This new Dr. Whitcomb variety would be notable simply for its vivid cherry-red flowers and deep red-purple foliage, but its ability to bloom continuously on the same panicle make it extraordinary. Enjoy over 100 days of bloom on a dense, disease-resistant shrub.
USDA 7, AHS 10, 8-10', gr 1, summer rebloomer
Item #: 52212 - 2 ¼" • 52214 - 4"

DOUBLE FEATURE® (L. i. 'Whit IX' pp#23,559)
This semi-dwarf, reblooming crapemyrtle has wine-red new growth and abundant ruby-red blooms. It flowers from late June to October, and does not produce seed. A Dr. Whitcomb variety.
USDA 7, AHS 10, 6-8', gr 1, summer rebloomer
Item #: 52792 - 2 ¼" • 52794 - 4"

DYNAMITE® (L. i. 'Whit II' pp#10,296)
This is the first true red tree-form crapemyrtle, producing cherry red flowers even in full sun and heat. Crimson new growth. High mildew resistance. A Dr. Whitcomb variety.
USDA 7, AHS 10, 10-15', gr 1, summer rebloomer
Item #: 52642 - 2 ¼" • 52644 - 4"

PINK VELOUR® (L. i. 'Whit III' pp#10,319)
Flashy pink flowers and distinct dark wine foliage which peaks in the spring. High mildew resistance. Showy, wine-colored foliage provides interest before blooming. Awards: 2003 Oklahoma Proven selection, GMPA.
USDA 7, AHS 10, 10-12', gr 1, summer rebloomer
Item #: 52552 - 2 ¼" • 52554 - 4"
RED ROCKET® (L. i. ‘Whit IV’ pp#11,342)
Like Dynamite® crapemyrtle, it produces cherry red flowers in hot sunny conditions.
New growth is crimson, then dark green. Upright form. Highly resistant to mildew and
anthracnose. Huge flower clusters up to 24" tall. May repeat bloom more than Dynamite®
crapemyrtle. A Dr. Whitcomb variety.
USDA 7, AHS 10, 10-15°, gr 1, summer rebloomer 💔❤️ актуальн.
Item #: 52682 - 2 ¼" • 52684 - 4" ♥️

Laurus nobilis • Sweet Bay
Family: Lauraceae (Laur-us: from the ancient Latin name for laurel)

SICILIAN SUNSHINE® (L. n. ‘UNSS’)
The next big thing for warm climate landscapes! Uniformly crisp chartreuse to
gold fragrant foliage sets this sweet bay apart from traditional cultivars. It has
stronger and more consistent gold color than ‘Aurea’. Attractive red petioles
contribute additional color.
USDA 8, AHS 10, 4-10°, gr 1.5, foliage interest 😊❤️ актуальн.
Item #: 52602 - 2 ¼" • 52604 - 4" • 52605 - Quick Turn ☼️

Leptodermis • Leptodermis
Family: Rubiaceae (Lepto-dermis: slender skin)

L. oblonga
Attention plant geeks! This nifty shrub deserves to be better known. Fragrant blooms
resemble lilacs, appearing in late spring and continuing until frost. Habit is tidy and
low-mounding for a variety of landscape applications.
USDA 5, AHS 8, 1-1.5°, gr 1, spring rebloomer 😊❤️ актуальн.
Item #: 52702 - 2 ¼" • 52704 - 4" 😄

Ligustrum • Privet
Family: Oleaceae (Ligust-rum: ancient Latin name for privet)

GOLDEN TICKET® (L. x ‘NCLX1’ pp#27,301, cbraf)
Enjoy all the fragrance and color of this landscape classic without the
problems associated with invasive privet. Dr. Thomas Ranney of NCSU made
wide interspecific crosses to create this this compact, colorful, eco-friendly
flowering shrub. Great as a hedge, specimen, container plant, or even
as a cut branch.
USDA 5, AHS 9, 4-6°, gr 1, spring bloom 😊❤️ актуальн.
Item #: 53782 - 2 ¼" • 53784 - 4" • 53785 - Quick Turn 😍

Lonicera periclymenum • Honeysuckle
Family: Caprifoliaceae (Lonic-era: after Adam Lonitzer, 1528-1586, German physician and naturalist,
peri-clymenum: Greek for “twining plant”)

The name says it all! A very showy vine with extremely fragrant yellow
flowers from mid-spring to late summer, followed by bright red berries. This
floriferous honeysuckle has a very long bloom time, and is a wonderful addition
to summer gardens, especially when trained up a trellis or across a fence.
Non-invasive. Award: Climbing plant of the year 2016, Le Rendez-vous
Horticole, Montréal.
USDA 4, AHS 9, 10°, gr 1, spring rebloomer 😊❤️ актуальн.
Item #: 54232 - 2 ¼" • 54234 - 4" • 54235 - Quick Turn 😊

Call Spring Meadow Nursery at (800) 633-8859 or visit us online at www.SpringMeadowNursery.com
**Lonicera caerulea** • Sweetberry Honeysuckle, Haskaps

(Lonicera: caerulea: dark blue)

Little known outside of Japan and Eastern Europe, this tasty superfruit with its flavor of raspberries and blueberries deserves to be better known—and more widely grown. Its small, dark blue fruit has big potential for eating fresh or making into sauces, jam, ice cream, and smoothies. Though it looks like an elongated blueberry, it’s so much easier to grow: super hardy, not at all fussy about soil or pruning. These are true Vitamin Berries® with more vitamin C, potassium, and fiber than citrus. They have an extremely high ORAC value with exceptional levels of anthocyanins, polyphenols and bioflavonoids. Perhaps most importantly, they taste great.

We are pleased to offer two unique series of this special fruit: the Sugar Mountain® series comes from Eastern Europe and has more elongated fruit that is excellent for eating fresh or drying. The Yezberry® series was developed in the United States with germplasm from Hokkaido, Japan’s northernmost island. Yezberry® haskaps bloom later, so their flowers are less susceptible to frost damage. They have larger, plumper fruit that is great fresh and especially good for processing into sauces, jam, or juice.

**SUGAR MOUNTAIN® Blue** (L. c. ‘Dolce Vita’ ppk#26,617, cbraf)

This is one of the sweetest varieties we’ve tasted, making it perfect for eating fresh. Developed in the Czech Republic, it bears big, sweet, tasty berries on an easy to grow hedge plant. This special selection is apomictic, meaning it will fruit without pollination; however, you’ll get larger fruit if the plant is cross-pollinated with Sugar Mountain® Eisbär. Award: Retailers Choice, Cultivate 2014.

USDA 3, AHS 6, 5-6’, gr 1, summer fruit

Item #: 54782 - 2 ¼” • 54784 - 4” • 54785 - Quick Turn

**SUGAR MOUNTAIN® Eisbär** (L. c. ‘54-57’)

Large, tangy-sweet fruits, up to 1.5” long and 0.5” wide. Use to pollinate Sugar Mountain® Blue lonicera. It is a great variety for drying and processing. Low maintenance and easy to grow.

USDA 3, AHS 6, 5-6’, gr 1, summer fruit

Item #: 54532 - 2 ¼” • 54534 - 4” • 54535 - Quick Turn

**YEZBERRY HONEY BUNCH®** (L. c. ‘Kaido’ ppaf, cbraf)

Very sweet fruit on a compact plant that is better suited to the home landscape. Perfect for eating fresh, freezing, and processing. Developed by Maxine Thompson. Use another Yezberry® variety as a pollinator.

USDA 3, AHS 7, 3-5’, gr 1, summer fruit

Item #: 54882 - 2 ¼” • 54884 - 4” • 54885 - Quick Turn

**YEZBERRY® MAXIE™** (L. c. ‘Kuchi’ ppaf, cbraf)

This Japanese haskap variety has the largest fruit we’ve ever seen: blue berries resemble olives in size and shape. It is a large plant similar in shape to Yezberry® Solo™ Japanese haskap, giving very good yields and making harvesting easier. Requires another Yezberry® selection for cross pollination and fruit set.

USDA 3, AHS 7, 5-6’, gr 1, summer fruit

Item #: 54902 - 2 ¼” • 54904 - 4” • 54905 - Quick Turn

**YEZBERRY® SOLO™** (L. c. ‘Kapu’ ppk#26,820, cbraf)

A Japanese haskap with very large, plump berries on a big plant, ensuring high yields and easier harvesting. This special selection is apomictic, meaning it will fruit without a pollinator present, though cross pollination with another Yezberry® variety ensures larger fruit and better yields. Good for eating fresh or for processing into sauces, jam or jelly.

USDA 3, AHS 7, 5-6’, summer fruit

Item #: 54912 - 2 ¼” • 54914 - 4” • 54915 - Quick Turn

**YEZBERRY SUGAR PIE®** (L. c. ‘Hoka’ ppaf, cbraf)

The most compact haskap is ideal for residential landscapes! Enjoy the large, sweet fruit fresh, frozen, or processed. Developed by Maxine Thompson. Use another Yezberry® variety as a pollinator.

USDA 3, AHS 7, 3-4’, gr 1, summer fruit

Item #: 54892 - 2 ¼” • 54894 - 4” • 54895 - Quick Turn

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden. – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner.
**Loropetalum chinense** • Chinese Fringe-flower

Family: Hamamelidaceae (Loro-petalum: Greek for strap-like petals)

A new series of healthy growing loropetalum with outstanding form, flowers and foliage. The series offers a range of plant sizes to meet every landscape application. The purple leaf selections all hold their rich color through the summer, never fading to green like other varieties.

**JAZZ HANDS® Bold** (L. c. ‘Kurenai Daiou’ pp#27,748)

An eye-catching shrub with extra big, round, purple leaves that flush pink to provide a unique contrast. The rich pink flowers are larger than any other loropetalum.

USDA 7b, AHS 9, 5-6’, gr 1, spring/summer bloom 🌸🌸🌸

*Item #: 53462 - 2 ¼” • 53464 - 4” • 53465 - Quick Turn*

**JAZZ HANDS® Dwarf Pink** (L. c. ‘Kurenai’ pp#27,750)

Cool purple foliage has a cranberry undercurrent that contrasts beautifully with the hot pink blooms. This showy little dwarf plant is a great partner for Jazz Hands® Dwarf White loropetalum.

USDA 7b, AHS 9, 1-3’, gr 1, spring/summer bloom 🌸🌸🌸

*Item #: 53512 - 2 ¼” • 53514 - 4” • 53515 - Quick Turn*

**JAZZ HANDS® Dwarf White** (L. c. ‘Hakuou’ pp#27,751)

The best-looking white flowered loropetalum we’ve ever seen. This selection has rich dark green leaves and large pure white flowers that burst forth in spring. A repeat bloomer with sporadic flowers throughout summer. Its dwarf habit makes it a perfect pairing with Jazz Hands® Dwarf Pink loropetalum.

USDA 7b, AHS 9, 1-3’, gr 1, spring/summer rebloom 🌸🌸🌸

*Item #: 53502 - 2 ¼” • 53504 - 4” • 53505 - Quick Turn*

**JAZZ HANDS NIGHT MOVES™** (L. c. ‘Suzuki’ ppaf)

Fun and whimsical, Jazz Hands Night Moves™ is a unique and colorful combination of white flowers and purple variegated foliage. It makes a nice container and has very good impulse appeal in the garden center.

USDA 7b, AHS 9, 2-4’, gr 1, spring/summer bloom 🌸🌸🌸

*Item #: 53532 - 2 ¼” • 53534 - 4” • 53535 - Quick Turn*

**JAZZ HANDS® Mini** (L. c. ‘Beni Hime’ pp#27,752)

A new ground covering dwarf loropetalum with black-purple foliage that holds its color all season long. Showy pink flowers contrast with the dark, rich foliage making it a wonderful little shrub for the front of the border, or in a decorative container.

USDA 7b, AHS 9, 10-12’, gr 1.5, spring/summer bloom 🌸🌸🌸

*Item #: 53412 - 2 ¼” • 53414 - 4” • 53415 - Quick Turn*

**JAZZ HANDS® Variegated** (L. c. ‘Irodori’ ppaf)

The first ever variegated loropetalum, this beauty has dark purple foliage with new growth that is punctuated with splashes of pink and white variegation; vivid pink flowers appear in spring. A charming plant that can be used as a specimen or as a hedge. Award: Retailers Choice, SNA

USDA 7b, AHS 9, 4-6’, gr 1, spring/summer bloom 🌸🌸🌸

*Item #: 53422 - 2 ¼” • 53424 - 4” • 53425 - Quick Turn*
AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden

NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner

**Lycium • Goji Berry**

Family: Solanaceae (Lyci-um: Ancient Greek name for a thorny bush, re-adapted by Linnaeus)

**LIFE BERRY® Series**

Goji berries are popular for their antioxidants and other potential health benefits. Goji berries are easy to grow in full sun, although some staking is recommended for best container presentation and maximum access to the nutrient-rich fruit.

**Big LIFEBERRY®** ([*L. barbarum* ‘SMNDBL’]

Extra-large fruit makes for easy harvesting. USDA 5, AHS 9, 10’, gr 1, summer bloom 🌡️ 🌡️ 🌡️

**Item #:** 55052 - 2 ¼” • 55054 - 4” • 55055 - Quick Turn

**Sweet LIFEBERRY®** ([*L. barbarum* ‘SMNDSL’]

Fruit becomes especially sweet when dried. USDA 5, AHS 9, 10’, gr 1, summer bloom 🌡️ 🌡️ 🌡️

**Item #:** 55062 - 2 ¼” • 55064 - 4” • 55065 - Quick Turn

**Magnolia • Magnolia**

Family: Magnoliaceae (Magnol-ia: bears the name of Pierre Magnol, French botanist)

‘Ann’

Deep purplish-red blooms appear later than most magnolias, thus are less apt to get nipped by frost. Big, lily-like flowers often repeat during the summer. Awards: PSC. USDA 4, AHS 9, 8-12’, gr 1.5, spring bloom 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 55852 - 2 ¼” • 55854 - 4”

‘Leonard Messel’ ([*M. kobus var. laetneri*]

A magnificent large shrub/small tree with rose purple buds that open pale pink. Very hardy. Originated at Nymans, the Messel family estate in Sussex, UK. USDA 5, AHS 9, 15-20’, gr 1.5, spring bloom 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 56092 - 2 ¼” • 56094 - 4”

‘Royal Star’ ([*M. stellata*]

A superior, vigorous selection of *M. stellata*. Pink buds unfold to pure white, revealing 25 to 30 petals.

USDA 4, AHS 9, 10-15’, gr 1.5, spring bloom 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 55602 - 2 ¼” • 55604 - 4”

**Microbiota • Siberian Cypress**

Family: Cupressaceae (Micro: small; biota: old pseudonym for *Thuja*]

**CELTIC PRIDE™** ([*M. decussata* ‘Prides’]

Siberian cypress is a hardy, low-growing evergreen for sun or shade, but the species is often plagued with unsightly tip dieback. This selection solves that, as it has superior disease resistance and winter color. Very hardy and shade tolerant.

USDA 2, AHS 7, 1-3’, gr 1.5, evergreen 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 57144 - 4” • 57145 - Quick Turn

**Osmanthus heterophyllus • False holly**

Family: Oleaceae (Osm-anthus: Greek for fragrant flower; hetero-phyllus: varying leaves)

‘Goshiki’

The name means “five colors” in Japanese, and you’ll count at least that many on the flashy foliage of this versatile evergreen, especially in spring. Small white flowers in autumn make an impact primarily through their intense fragrance. Introduced by Barry Yinger.

USDA 6, AHS 9, 5-10’, gr 1.5, evergreen 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 57424 - 4”

‘Variegatus’

Clean green and white variegation make this handsome evergreen at home in formal or informal settings. Autumn brings small white flowers that emit a sweet fragrance. Can be shaped as desired, in production and in the landscape.

USDA 7, AHS 9, 6-12’, gr 1.5, evergreen 🌡️ 🌡️ 🌡️ 🌡️

**Item #:** 57434 - 4”

10’

15’

25’

Graceful, bright green foliage turns russet-copper in winter.

USDA 2, AHS 7, 1-3’, gr 1, evergreen 🌡️ 🌡️ 🌡️

**Item #:** 57104 - 4”

5’

Hardy to -50ºF, this plant looks like a cross between a creeping juniper and a fern. Graceful, bright green foliage turns russet-copper in winter.

USDA 2, AHS 7, 1-3’, gr 1, evergreen 🌡️ 🌡️ 🌡️

**Item #:** 57104 - 4”
**Parthenocissus quinquefolia** • Virginia Creeper  
Family: Vitaceae (Parthenocissus: Greek for 'virgin'; kissos: ivy. Quinque: Latin for five; folia: leaves)

**RED WALL®** *(P. q. 'Troki')*
Good fences make for good neighbors, but fences can be downright ugly. Red Wall® Virginia creeper was selected to dress up those miles of stockade fence going up each year. This native vine has glossy, dark green foliage that transforms to fire-engine red in fall. This fast-growing and salt-tolerant vine is the easiest way to create a colorful “green wall.” Native.  
USDA 3, AHS 9, 20-30’, gr 0.5, fall foliage  
*Item #:* 57614 - 4” • 57615 - Quick Turn

**Philadelphus** • Mock Orange  
Family: Hydrangeaceae (Philadelph-us: after King Ptolemy Philadelphus)

‘Snowbelle’  
A low grower with a compact habit, loaded with fragrant pure white, double flowers. Native.  
USDA 4, AHS 8, 3-4’, gr 1, late spring bloom  
*Item #:* 58182 - 2 ¼” • 58184 - 4”

‘Snow Dwarf’  
A Canadian selection noted for its dwarf habit and abundance of fragrant flowers. Flowers are pure white, up to 1½” in diameter. A great small border shrub. Developed by AGR Canada (Ottawa) so hardiness is a given. Native.  
USDA 4, AHS 7, 2-3’, gr 1, late spring bloom  
*Item #:* 58162 - 2 ¼” • 58164 - 4”

**Photinia** • Frasier Photinia  
Family: Rosaeceae (Photin-ia: Ancient Greek for “shining one,” referring to the glossy foliage)

PINK MARBLE® *(Photinia x fraseri ‘Cassini’ pp#15,160, cbr#2046)*  
Red and pink new growth turns green with pink edges and splashes, eventually becoming green with white edges and splashes. The extraordinary foliage adds year-round color to landscapes.  
USDA 6, AHS 9, 6-15’ tall, gr 1, evergreen  
*Item #:* 59952 - 2 ¼” • 59954 - 4”

**Physocarpus opulifolius** • Ninebark  
Family: Rosaceae (Physocarp-us: bladder-fruit; opuli-folius: having foliage like Guelder-rose, aka Viburnum opulus)

COPPERTINA® *(P. o. ‘Mindia’ pp#16,371, cbr#2892)*  
This cross between ‘Dart’s Gold’ and Diabolo® flushes an attractive copper in spring and transforms to a rich red in summer. Developed by Minier of France. Native. Award: 2011 Cut Flower of the Year ASCFG.  
USDA 3, AHS 7, 6-8’, gr 1, late spring bloom  
*Item #:* 58342 - 2 ¼” • 58344 - 4” • 58345 - Quick Turn

FESTIVUS GOLD® *(P. o. ‘Bert Dart’s G’ pp#26,246, cbraf)*  
An improved dwarf version of ‘Dart’s Gold’ with extra bright gold foliage. It maintains its yellow coloration throughout the season and is great both in the landscape and at retail. Native. Now a Proven Winners® ColorChoice® variety.  
USDA 3, AHS 7, 3-4’, gr 1, late spring bloom  
*Item #:* 58582 - 2 ¼” • 58584 - 4”

GINGER WINE™ *(P. o. ‘SMNPOBLR’ ppaf, cbraf)*  
A standout plant with rich hues of orange, red, and bright burgundy in summer. Large white flowers in late spring transform into bright red seed-heads for added interest. Sturdy stems and a compact upright growth habit make it excellent at retail and irresistible in the landscape. It has shown a very high level of mildew resistance. Native.  
USDA 3, AHS 7, 5-6’, gr 1, late spring bloom  
*Item #:* 59062 - 2 ¼” • 59064 - 4” • 59065 - Quick Turn

RED ROBE™ *(P. o. ‘Antboe401’ cbr#5148)*  
Yellow-orange spring foliage ages to burgundy-red as it matures. The white early summer flowers have a purple cast, and produce attractive red fruit in late summer and fall. Bright red seed heads age to a deep wine tone.  
USDA 3, AHS 7, 6-8’, gr 1, late spring bloom  
*Item #:* 58532 - 2 ¼” • 58534 - 4”

Call Spring Meadow Nursery at (800) 633-8859 or visit us online at www.SpringMeadowNursery.com
Physocarpus continued

**SUMMER WINE®** (P. o. ‘Seward’ pp#14,821, cbr#5641)
This showy, hardy variety has pinkish-white flower clusters in mid-summer and has proven itself to be the most mildew-resistant dark-leaf physocarpus in trials at Longwood Gardens. It requires little pruning to make a salable plant and presents well in a pot. Native. Award: Theodore Klein Award University of Kentucky Arboretum.

**USDA 3, AHS 7, 5-8’, gr 1, late spring bloom**
**Item #:** 58402 - 2¼” • 58404 - 4” • 58405 - Quick Turn

**SUMMER WINE® Black** (P. o. ‘SNPMS’ ppaf, cbrf)
A striking new ninebark distinguished by its dark black foliage, the darkest yet. Its compact habit makes it an excellent container plant. Native.

**USDA 3, AHS 7, 5-6’, gr 1, late spring bloom**
**Item #:** 58362 - 2¼” • 58364 - 4” • 58365 - Quick Turn

**TINY WINE®** (P. o. ‘SNPOTW’ pp#26,749, cbr#5128)
Smaller than others in the market, dwarf Tiny Wine® ninebark is extra bushy, with small, refined leaves. The dark bronze-maroon foliage is colorful all season, and contrasts beautifully with the pinkish-white flowers in late spring. You’ll also love its exceptional red fall foliage display and high mildew resistance. Native.

**USDA 3, AHS 7, 3-5’, gr 1, late spring bloom**
**Item #:** 58232 - 2¼” • 58234 - 4” • 58235 - Quick Turn

**STAY®** (P. o. ‘SDS’ ppaf, cbrf)
A new variety from Stay Nurseries, STAY® ninebark offers beautiful green foliage that turns yellow with fall color. A compact plant that is ideal in containers. Native.

**USDA 3, AHS 7, 3-5’, gr 1, late spring bloom**
**Item #:** 59742 - 2¼” • 59744 - 4” • 59745 - Quick Turn

**STAY®** Gold (P. o. ‘SDSP’ ppaf, cbrf)
A gold version with an excellent, compact habit. Native.

**USDA 3, AHS 7, 3-5’, gr 1, late spring bloom**
**Item #:** 59748 - 2¼” • 59750 - 4” • 59751 - Quick Turn

**Potentilla fruticosa** syn. Dasiphora fruticosa
Bush Cinquefoil

**Family:** Rosaceae (Potent-illa: from the Greek potens meaning powerful, from reputed medicinal qualities; fruticosa: shrubby)

**HAPPY FACE HEARTS™** (P. f. ‘SMNPPS’ ppaf, cbrf)
A unique display of rich pink flowers accentuated with a white star in the center of each bloom. A healthy, dense plant that holds its color well. Blooms from spring to fall.

**USDA 2, AHS 7, 1-2’, gr 1, summer bloom**
**Item #:** 59872 - 2¼” • 59874 - 4” • 59875 - Quick Turn

**HAPPY FACE® Pink Paradise** (P. f. ‘Kupinpa’ pp#22,732)
A better pink potentilla! The clear pink, semi-doubled flowers hold their color longer than other pink potentillas, although they may still fade under intense heat. This is an excellent choice for cooler climate gardeners who want low-maintenance flowers all summer long. Native.

**USDA 2, AHS 7, 2-3’, gr 1, summer bloom**
**Item #:** 59602 - 2¼” • 59604 - 4” • 59605 - Quick Turn

**HAPPY FACE® White** (P. f. ‘White Lady’ pp#22,761)
Extra large, pure white flowers adorn this plant from spring to late summer. Native.

**USDA 2, AHS 7, 2-3’, gr 1, summer bloom**
**Item #:** 59792 - 2¼” • 59794 - 4” • 59795 - Quick Turn

**HAPPY FACE® Yellow** (P. f. ‘Lundy’ pp#22,176, cbr#4912)
The big, bright flowers will stand out from all others, blooming in abundance from spring until late summer. The dense habit and dark, healthy foliage adds to its appeal. Native.

**USDA 2, AHS 7, 2-3’, gr 1, summer bloom**
**Item #:** 59112 - 2¼” • 59114 - 4” • 59115 - Quick Turn
‘Kojo-No-Mai’
A delightful flowering cherry with distinctive zig-zag stems. Profuse, tightly clustered white flowers have pink centers. Maroon fall foliage. Originating from Japan, this is a perfect tree for small spaces and patios. Adaptable to most soils.
USDA 5, AHS 8, 3-4’, gr 1.5, spring bloom ☀️
Item #: 60342 - 2 ¼” • 60344 - 4”

ZUZU™ (P. i. ‘Rinpo’)
A dainty and petite shrubby ornamental cherry brought to us by Brian Upchurch. A spring bloomer with delicate, pure pink, fully double, carnation-like blooms. Small, neatly serrated leaves and congested branching create a dense, shrubby plant.
USDA 5, AHS 8, 3-5’ gr 1, spring bloom ☀️
Item #: 60232 - 2 ¼” • 60234 - 4” • 60235 - Quick Turn

JUKE BOX™ (xP. ‘NCXP1’ ppaf, cbraf)
A remarkable new dwarf broadleaf evergreen that, at first glance, could be mistaken for boxwood or small leaf holly. However, xPyracomeles comes without the threat of boxwood blight or spider mites. It has a natural, ball-shaped habit but can be sheared into various shapes, just like boxwood. The plant is tight and finely branched with tiny, glossy, evergreen leaves. It is an intergeneric hybrid developed by NCSU by crossing Pyracantha with Osteomeles. It has no thorns and does not flower. It is the ideal evergreen for hedging, topiary, containers or for parterres, and has long been sought-after by bonsai enthusiasts.
USDA 7 (6b), AHS 9, 1-3’, gr 1, evergreen ☀️
Item #: 61902 - 2 ¼” • 61904 - 4” • 61905 – Quick Turn
