Rhamnus • Buckthorn

Family: Rhamnaceae (Rham-nus: ancient Greek name for spiny plants)

‘Argenteovariegata’ (R. alaternus)

This handsome Mediterranean native, known as variegated Italian buckthorn, is a versatile plant for warm-climate landscapes that is readily shaped for topiary or hedging. Foliage appears silver but is actually blue-green with an ivory margin. Orange flowers in early summer are followed by red fruit.

USDA 7, AHS 9, 12-14; gr 0.5, foliage interest 🌿 🌿 🌿

Item #: 61982 - 2 ¼” • 61984 - 4”

FINE LINE® (R. frangula syn. Frangula alnus ‘Ron Williams’ pp#14,791)

This plant combines the fantastic, fern-like foliage of ‘Asplenifolia’ with the narrow upright habit of ‘Columnaris’. The landscape applications for this plant are endless: narrow hedges, screens, or accent specimen. It’s a great choice for the perennial garden, and the narrow habit is well suited to entrances and patio gardens, including container gardens. This non-invasive cultivar produces very little fruit and is an excellent, responsible replacement for older weedy varieties. A university study showed a meager 3% germination rate compared to the species which germinated at 98%. Developed by Ron Williams of Scenic View Nursery in Green Bay, Wisconsin. Awards: Silver Medal Royal Horticulture Society, MOBOT Tried and True.

USDA 2, AHS 7, 5-7; gr 1, foliage interest 🌿 🌿 🌿

Item #: 62152 - 2 ¼” • 62154 - 4” • 62155 - Quick Turn

Rhododendron • Rhododendron

Family: Ericaceae (Rhododendron: From the Greek words for rose, rhodo, and tree, dendron)

‘Amy Cotta’ (R. ‘Amy Cotta’ pp#11,311)

A heavy-blooming form of ‘PJM’ rhododendron, ‘Amy Cotta’ is a slow growing semi-dwarf plant, perfect for sites which call for a compact flowering evergreen. Dense, azalea-like foliage is smaller and darker than that of ‘PJM’; plentiful ruffled blooms cover the plant in early spring. Selected by Steve Cotta of Portsmouth Nursery.

USDA 4, AHS 8, 2-3’; gr 1.5, spring bloom 🌸 🌸 🌸

Item #: 62282 - 2 ¼” • 62284 - 4” • 62285 - Quick Turn

DANDY MAN™ Pink (R. ‘PKT2011’)

A unique combination of hardiness, heat tolerance and root rot resistance makes this R. hyperythrum hybrid a garden workhorse. Pink flowers adorn this attractive, well-branched evergreen during its early/mid-season bloom time. Developed by ARS past president Dr. Leonard Miller of Oklahoma.

USDA 4, AHS 9, 4-8’; gr 1, spring bloom 🌸 🌸 🌸

Item #: 62465 - Quick Turn

DANDY MAN™ Purple (R. ‘LAVJ2011’ pp#26,976)

This super hardy hybrid from the late Joe Parks has proven to withstand winters in Maine and New Hampshire. You’ll love the rich purple blooms and healthy disposition. Pretty and tough, it’s a superior evergreen for landscaping.

USDA 4, AHS 8, 4-8’; gr 1, spring bloom 🌸 🌸 🌸

Item #: 62435 - Quick Turn
BLOOM-A-THON® Hot Pink Rhododendron

### Rhododendron • Azalea

**Family:** Ericaceae (Rhododendron: From the Greek words for rose, rhodo, and tree, dendron)

<table>
<thead>
<tr>
<th><strong>BOLLYWOOD®</strong> (R. ‘Farrow’ pp#22,209)</th>
<th>Neon red-pink flowers engulf this compact semi-evergreen azalea in spring. Showy silver and dark green variegated foliage supplies color the rest of the year. Developed by Mike Farrow of Holly Hill Nursery in Maryland. USDA 6, AHS 9, 2-3', gr 1, spring bloom 🌹 🌿 🌼</th>
<th><strong>Item #:</strong> 62422 - 2 ¼&quot; • 62424 - 4&quot; • 62425 - Quick Turn</th>
</tr>
</thead>
</table>

**BLOOM-A-THON® Series**

Reblooming azaleas delight gardeners (and garden centers) for months instead of weeks. Look for continuous cycles of blooms through the heat of the summer, and heavy flowering in fall until hard frost — up to twenty weeks of flowers each year! These evergreen azaleas were developed by breeder Bob Head, and do best in part sun to dappled shade.

Rhododendron ‘yedoense var. poukhanense ‘Compalka’

A surprisingly hardy and easy to grow semi-evergreen azalea, widely planted in landscapes since the late 1800s. Lightly fragrant purple flowers smother the sturdy, compact plant in late spring. Very shade tolerant!

USDA 4, AHS 3-5', gr 1, spring bloom

Item #: 61462 - 2 ¼” • 61464 - 4”

Weston Native Azaleas

Extend your seasonal sales with summer-blooming native azaleas. Developed by the Meitz family at Weston Nurseries in Massachusetts, these colorful varieties are also delightfully fragrant. All are deciduous and easy to grow.

‘Weston’s Garden Party’ (R. x)

Party down with this bright pink summer bloomer. Fragrant flowers with long, prominent stamens for an exotic look. A beautiful, disease-resistant addition to shade and woodland programs.

USDA 5, AHS 8, 6-10’, gr 1, summer bloom

Item #: 61312 – 2 ¼” • 61314 - 4”

‘Weston’s Innocence’ (R. x)

This vigorous variety is late-blooming, with fragrant white flowers in June. Semi-glossy foliage turns burgundy-red in fall. It has an upright, spreading habit that becomes more mounded over time.

USDA 4, AHS 7, 3-5’, gr 1, summer bloom

Item #: 61332 - 2 ¼” • 61334 - 4”

‘Weston’s Lemon Drop’ (R. x)

Peach-colored buds open to pale yellow flowers in mid-July with mildew-resistant deciduous foliage. Leaves turn pink-red in fall. The blossoms have a lemony fragrance and hold up well in hot sun, often for 2 weeks or more. Award: ARS Proven Performer.

USDA 3b, AHS 7, 6-10’, gr 1, summer bloom

Item #: 61352 - 2 ¼” • 61354 - 4”

‘Weston’s Lollipop’ (R. x)

Extremely fragrant flowers set this variety apart from others. Peaking in mid-June, silvery-pink blooms exude a sweet scent through late in the month. Mildew-resistant, deciduous foliage. Autumn color begins in early September and continues with red-orange tones through October. Award: ARS Proven Performer.

USDA 4, AHS 8, 5-6’, gr 1.5, summer bloom

Item #: 61382 - 2 ¼” • 61384 - 4”

‘Weston’s Millenium’ (R. x)

Bring on summer! This upright deciduous azalea bears dusky red flowers in early to mid-July, and holds up well even in 90°F heat. The blue-green leaves have striking silvery undersides.

USDA 4, AHS 8, 4-5’, gr 1, summer bloom

Item #: 61382 - 2 ¼” • 61384 - 4”

‘Weston’s Parade’ (R. x)

Rounded heads of clear dark pink flowers adorn this plant for most of July and add a light vanilla fragrance to the garden. Mildew-resistant, deciduous foliage turns bronze-green and orange in fall.

USDA 4b, AHS 7, 4-5’, gr 1, summer bloom

Item #: 61392 - 2 ¼” • 61394 - 4”

‘Weston’s Pink and Sweet’ (R. x)

A slow-growing variety with extremely fragrant flowers in mid- to late June. ‘Weston’s Pink and Sweet’ has an upright, mounded habit. The mildew-resistant foliage turns purple-red in fall before dropping. Award: ARS Proven Performer.

USDA 4, AHS 7, 5-6’, gr 1.5, summer bloom

Item #: 61412 - 2 ¼” • 61414 - 4”

‘Weston’s Ribbon Candy’ (R. x)

Unique striped flowers dazzle in the garden — and in the garden center. Summertime blooms emit an unusual fragrance, described by the breeder as “spicy-peppery.” Excellent fall color on this deciduous azalea.

USDA 4, AHS 8, 6-12’, gr 1, summer bloom

Item #: 61432 - 2 ¼” • 61434 - 4”

‘Weston’s Sparkler’ (R. x)

Ruffled dark pink flowers emit a spicy fragrance in mid-late July. The mildew-resistant blue-green, deciduous foliage turns burgundy-red in fall.

USDA 4, AHS 8, 5-6’, gr 1, summer bloom

Item #: 61452 - 2 ¼” • 61454 - 4”

AT LAST® (R. ‘HORCOGJIL’ pp#27,541, cbraf)

Finally - a fragrant, modern rose! At Last® combines all the romance of a fragrant, fully-petaled tea rose with the no-nonsense practicality of a healthy landscape rose. Enjoy a non-stop display of large, sweetly perfumed sunset-orange blossoms from late spring through frost. Handsome, glossy foliage and a vigorous, rounded habit makes it ideal for use in the landscape or the flower garden. Developed by Colin Horner. This consumer favorite won the 2016 Shrub Madness Championship.

USDA 5, AHS 9, 3’, gr 1, summer rebloomer

Item #: 63612 - 2 ¼” • 63614 - 4” • 63615 - Quick Turn

JULIA CHILD™ (R. ‘WEKosstuna’ pp#18,473)

This All-American Rose Selection was chosen by its namesake for its buttery gold color and licorice candy fragrance. You’ll love its disease resistance, rounded habit, and continuous blooms. Bred by Tom Carruth of Weeks Roses.

USDA 4, AHS 9, 2-3’ tall, gr 1, summer bloom

Item #: 63834 - 4”

LIVIN’ LA VIDA® (R. ‘Honmimrod’ pp#27,366)

Flamingo pink flowers pop against the glossy, dark green foliage. This continuous blooming rose produces lots of showy, full blooms with a high petal count. Compact, upright growth and good branching make it an excellent container plant with loads of impulse appeal.

USDA 5, AHS 9, 2.5-3’, gr 1, summer rebloomer

Item #: 63262 - 2 ¼” • 63264 - 4” • 63265 - Quick Turn

SUNSAY™ (R. ‘Chegewest’ ppaf, cbraf)

Classic rose flowers start out orange and transform into rich hues of gold and yellow as they open and mature. A stand out four years running in our no-spray trials, this shrub has shown good continuous blooming and healthy, glossy, dark green foliage.

USDA 5 AHS 9, 3-4’, gr 1, summer rebloomer

Item #: 63982 - 2 ¼” • 63984 - 4” • 63985 - Quick Turn

Rhus aromatica • Fragrant Sumac

Family: Anacardiaceae (Rhus: ancient Greek name, aromatica: aromatic)

‘Gro-Low’

Short, spreading groundcover with glossy green foliage and superb orange-red fall color. This low-maintenance favorite of landscapers was introduced by Synnestsedt Nursery. Native. Awards: GMPA, PSC.

USDA 3, AHS 8, 1-2’, gr 1.5, fall foliage

Item #: 62402 - 2 ¼” • 62404 - 4”

Rosa • Landscape Rose

Family: Rosaceae (Rosa-: Ancient Latin name for the plant)

NEW

SUNSAY™ Rosa

Family: Rosaceae (Rosa-: Ancient Latin name for the plant)
OSO EASY® LANDSCAPE ROSES

Oso Easy rose are indeed easy to grow, and they offer the broadest color range of any landscape rose series plus surprising hardiness, with some varieties thriving in USDA zone 3. Dark green glossy foliage shows exceptional disease resistance and tidy habits make them ideally suited to any sunny landscape.

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
### OSO EASY® Cherry Pie
(R. ‘Meibouka’ pp#19,258, cbr#6870)
An abundance of cherry-red flowers with bright yellow stamens all summer long.

- USDA 4, AHS 9, 2-4', gr 1, summer rebloomer
- Item #: 63412 - 2 ¼" • 63414 - 4" • 63415 - Quick Turn

### OSO EASY® Double Pink
(R. ‘MERIFITDAY’ ppaf, cbraf)
Excellent disease resistance and abundant, continuous blooms set this low mounded, ground covering rose apart from the crowd. Ten or more pink double flowers are produced per stem, creating a mass of cheerful summer color. Glossy, dark green leaves add to its appeal. Developed by Meilland International of France.

- USDA 5, AHS 9, height 1.5-2', gr 1, summer rebloomer
- Item #: 65812 - 2 ¼" • 65814 - 4" • 65815 - Quick Turn

### OSO EASY® Double Red
(R. ‘Meipeporia’ pp#26,298)
A floriferous rose with bright red, double blooms and dark, disease-resistant foliage. Sturdy, rounded habit with flowers held well above the foliage makes for a stunning display.

- USDA 4, AHS 3-4', gr 1, summer rebloomer
- Item #: 63642 - 2 ¼" • 63644 - 4" • 63645 - Quick Turn

### OSO EASY® HOT PAPRIKA®
(R. ‘FARROWRSP’ ppaf, cbraf)
If you like the classic Oso Easy® Paprika rose, you’ll adore this colorful new sport. The same habit, performance and disease resistance, but with deeply pigmented flowers that range from dark orange to vivid salmon. Developed by Chris Warner of the UK. Award: RNRS Award of Merit.

- USDA 3, AHS 9, 1-2', gr 1, summer rebloomer
- Item #: 69682 - 2 ¼" • 69684 - 4" • 69685 - Quick Turn

### OSO EASY® ITALIAN ICE®
(R. ‘CHEWWINCIBELL’ pp#26,532, cbr#6131)
Electric-orange buds open to soft yellow flowers that melt into pink-blushed margins. The ‘Peace’-like coloration is set off by dark green, glossy foliage. Semi-doubled, self-cleaning flowers have 24-30 petals each.

- USDA 4, AHS 9, 1.5-2.5', gr 1, summer rebloomer
- Item #: 63292 - 2 ¼" • 63294 - 4" • 63295 - Quick Turn

### OSO EASY® Lemon Zest
(R. ‘Chewhccan’ pp#26,914, cbr#5130)
We evaluated yellow roses for years to find one that lived up to our demands for brilliant color and excellent disease resistance. This is it! Sunny, canary yellow flowers do not fade to white. It is free-flowering, self-cleaning, and highly disease resistant. The American Rose Society thinks so, too: it earned an ARS Award of Excellence in the No Spray category in 2016.

- USDA 4, AHS 9, 2-3', gr 1, summer rebloomer
- Item #: 63442 - 2 ¼" • 63444 - 4" • 63445 - Quick Turn

### OSO EASY® Mango Salsa
(R. ‘Cheesperadventure’ pp#22,190, cbr#4688)
Continuous blooms offering stunning color: shades of ruby red grapefruit, summer sunsets, and fancy tropical drinks with umbrellas in them. They cover the tidy mound of dark, glossy foliage.

- USDA 4, AHS 9, 1-3', gr 1, summer rebloomer
- Item #: 69752 - 2 ¼" • 69754 - 4" • 69755 - Quick Turn

### OSO EASY® Paprika®
(R. ‘CheMayTime’ pp#18,347, cbr#3401)
This exceptionally hardy rose has loads of orange blooms accented by a bright yellow eye. Hybridized by Chris Warner of the UK. Awards: Best Groundcover Rose, Rose Hills International Rose Trials; MOBOT Tried and True.

- USDA 3, AHS 9, 1-2', gr 1, summer rebloomer
- Item #: 69672 - 2 ¼" • 69674 - 4" • 69675 - Quick Turn

### OSO EASY® Peachy Cream
(R. ‘Horcoherent’ pp#15,982, cbr#3584)
Lovely low mounded rose with blooms that emerge peach and transform to cream. The large, double flowers are self-cleaning. Hybridized by Colin Horner of the UK.

- USDA 3, AHS 9, 1-3', gr 1, summer rebloomer
- Item #: 69662 - 2 ¼" • 69664 - 4" • 69665 - Quick Turn

### OSO EASY® Petal Pink
(R. ‘ZLEMarianneYoshida’ pp#22,205, cbr#44448)
Bubblegum pink flower sprays and small green leaves are reminiscent of a miniature rose, but this variety is comparable to ‘The Fairy’ in its mature size. A very refined mound with a strong continuous bloom and exceptional disease resistance; it’s a great rose for the shrub or perennial border. Now a part of the Oso Easy® series. Award: 2012 Miniature/Miniflora Rose Award of Excellence, American Rose Society.

- USDA 4, AHS 9, 2.5-3.5', gr 1, summer rebloomer
- Item #: 63222 - 2 ¼" • 63224 - 4" • 63225 - Quick Turn

### OSO EASY® Pink Cupcake
(R. ‘Chewallbell’ pp#26,817, cbr#5129)
Extra large, extra full flowers pop against the glossy green leaves. The clean, disease-resistant foliage emerges with red tones. Look for up to 20 petals on each flower of this floriferous rose. Award: RNRS Award of Merit.

- USDA 4, AHS 9, 2-4', gr 1, summer rebloomer
- Item #: 69212 - 2 ¼" • 69214 - 4" • 69215 - Quick Turn

### OSO EASY® Urban Legend®
(R. ‘ChePatoot’ ppaf, cbraf)
Always in bloom during the season, this highly disease resistant rose was a standout in our no-spray rose trials, and a huge hit at the 2016 California Spring Trials. The double, scarlet red flowers are accentuated by cheery yellow stamens. Hybridized by Chris Warner of the UK.

- USDA 4, AHS 9, 2-3.5', gr 1, summer rebloomer
- Item #: 63432 - 2 ¼" • 63434 - 4" • 63435 - Quick Turn
S. caprea
French pussy willow is a favorite for cutting branches. The silver-pink catkins work great as cut stems, fresh or dried. Cut back yearly to produce long shoots.
USDA 4, AHS 8, 12-15', gr 1, spring bloom
Item #: 70452 • 2 ¼" • 70454 - 4"

‘Winter Glory’ (formerly S. chaenomeloides)
Giant pussy willow. Catkins the size of a rabbit’s foot are great for cutting.
USDA 4, AHS 7, 10-12’, gr 1, spring bloom
Item #: 70552 • 2 ¼" • 70554 - 4"

‘Hakuro Nishiki’ (syn. S. integra ‘Alba Maculata’)
The Japanese dappled willow is noted for its striking white-green-pink foliage. Its slender branches are always moving in the breeze. Regular shearing is necessary to maintain leaf variegation. Very popular.
USDA 4, AHS 7, 3-5’, gr 1, foliage interest
Item #: 70902 • 2 ¼" • 70904 - 4"

‘Mt. Asama’ (S. gracilistyla)
Selected by florists in Japan for its pink-tinged pussy willow flowers. Buds emerge two-toned, dark burgundy and silver, before aging to black-silver. Named after the volcano Mt. Asama, it has larger catkins than S. caprea.
USDA 4, AHS 7, 8-10’, gr 1, spring bloom
Item #: 70562 • 2 ¼" • 70564 - 4"

Sambucus • Elderberry

Family: Adoxaceae (Sambucus: from the Latin word for elder tree)
Word is getting out that Sambucus can be a fantastic ornamental garden plant. Recent introductions provide a dazzling array of foliage colors such as yellow, copper, white and even black. This is a bold plant with vigorous growth. Most people find that treating it as a perennial, cutting it back hard each fall, makes for a neat and beautiful plant. Adaptable to almost all soils and easy to grow. NOTE: Plants bloom on old wood.

BLACK BEAUTY™ (S. nigra ‘Gerda’ pp#12,305)
Its intriguing dark black foliage will completely change your perception of sambucus. Large pink flowers in summer offer chic contrast with the foliage; black fruit is produced in fall if a pollinator is present. Grow it as a shrub, or cut it back each year and use it as a bold perennial. Developed by Ken Tobutt and Jacqui Prevette of the East Malling Research Station in England. Award: Bronze Medal, Royal Boskoop Horticulture Society; AGM.
USDA 4, AHS 7, 8-12’, gr 0.5 early summer bloom
Item #: 71852 • 2 ¼" • 71854 - 4" • 71855 - Quick Turn

BLACK LACE® (S. n. ‘Eva’ pp#15,575, cb#2633)
Reminiscent of a Japanese maple with its lacy purple-black foliage, Black Lace® sambucus is a great plant for the perennial garden, patio, or entryway. In addition to unusual color and texture, it produces large pink flowers that reach 6”+ in diameter. It has tons of impulse appeal so make sure you stock up for the demand. Best coloration occurs with full sun and cooler temperatures; plants will not get dark black in southern climates. Developed by the British breeding program at the Horticulture Research Institute at East Malling. Awards: ANLA #1 New Variety for 2006; Silver Medal, Royal Boskoop Horticulture Society; AGM.
USDA 4, AHS 7, 6-10’, gr 0.5 early summer bloom
Item #: 71862 • 2 ¼" • 71864 - 4" • 71865 - Quick Turn

INSTANT KARMA® (S. n. ‘Sanivalk’ ppaf, cbraf)
A showy variegated elder with attractive bluish-green leaves edged with a neat variegated leaf margin that starts out gold in the spring and changes to cream as the season progresses. Big, lacy, pure white flowers in late spring add to its beauty. A major improvement over older variegated sambucus.
USDA 4, AHS 7, 6-8’, gr 0.5 early summer bloom
Item #: 72002 • 2 ¼" • 72004 - 4" • 72005 - Quick Turn
LACED UP™ *(S. n. 'SNR1292' ppaf, cbraf)*

If Dr. Seuss were a plant breeder, this is what he’d create. Deeply cut foliage is jet-black, with large pink inflorescences on a narrow, upright plant that curves this way and that. Unlike others, this elderberry holds its dark foliage color all season long, even under poly. A superb container plant that requires no pruning and little spacing. Developed by Ken Tobutt and Fiona Wilson of the UK; formerly known as Strait-Laced®. Plant with another Sambucus nigra to get fruit.

USDA 4, AHS 7, 6-8’, gr 1, early summer bloom

Item #: 72322 - 2 ¼” • 72324 - 4” • 72325 - Quick Turn

LEMONY LACE® *(S. racemosa 'SMNSRD4' pp#26,613, cbraf)*

Check out this very hardy cut-leaf elderberry with bright golden foliage and improved sunburn resistance. Lemony Lace® sambucus is a colorful, shaggy mound of gold with red new growth. The foliage is more deeply cut than ‘Sutherland Gold’ or Black Lace® elderberry, resulting in a compact, irregular mound with extremely fine texture. White spring flowers produce red fruit in fall. It will tolerate full sun in northern climates, but prefers light shade in more southern areas. Native.

USDA 3, AHS 7, 3-5’, gr 0.5, spring bloom

Item #: 72542 - 2 ¼” • 72544 - 4” • 72545 - Quick Turn

Schizophragma • False Hydrangea-Vine

'Moonlight' *(S. hydrangeoides)*

Pewter blue leaves are dissected by a network of green and pink venation. Big white flowers in July. A first class climber discovered in the wilds of Japan by Barry Yinger. Awards: GMPA.

USDA 5, AHS 9, 40-50’, gr 1, summer bloom

Item #: 72762 - 2 ¼” • 72764 - 4”

ROSE SENSATION™ *(S. h. 'Minsens')*

Elegant and distinctive, schizophragma is a great choice for nurseries looking to set themselves apart from the competition. This is a showier variety with larger, deeper pink sepals in June and July. It’s a great addition to woodland settings or trained up a north facing wall.

USDA 5, AHS 9, 40-50’, gr 1, summer bloom

Item #: 72752 - 2 ¼” • 72754 - 4” • 72755 - Quick Turn
**THE DOUBLE PLAY® Series**

What sets our *Spiraea* apart? We develop and select every plant for superior color and landscape-worthy habits. Double Play *Spiraea* are super showy from the time their first leaf buds emerge till the time the last leaf drops in fall. Blissfully quick to produce, they are always in demand by landscapers and homeowners alike.

**DOUBLE PLAY® ARTISAN®** *(S. japonica 'Galien' pp#21,712, cb#40702)*

Foliage emerges purple-red before turning blue-green. The flowers are a rich, pure pink. The plant naturally grows as a compact, full bodied mound.

**Item #:** 74732 - 2 ¼" • 74734 - 4" • 74735 - Quick Turn

**DOUBLE PLAY® BIG BANG** *(S. 'Tracy' pp#21,588, cb#4073)*

Massive pink flowers of a size never seen before adorn bright yellow foliage. Foliage glows orange in the spring.

**Item #:** 76542 - 2 ¼" • 76544 - 4" • 76545 - Quick Turn

**DOUBLE PLAY® BLUE KAZOO®** *(S. media 'SMSMBK' pp#26,655, cbra)*

Cool blue foliage is the perfect contrast to this hardy plant’s crisp white blooms. Hints of burgundy in the new growth foreshadow the dark red fall foliage. This neat, mounded plant is an excellent addition to the landscaper’s palette.

**Item #:** 74022 - 2 ¼" • 74024 - 4" • 74025 - Quick Turn

**DOUBLE PLAY® CANDY CORN™** *(S. j 'NCSX1' ppaf, cbra)*

So colorful, you won’t believe your eyes: candy apple red foliage starts the show in early spring. As the season progresses, older foliage transforms to pineapple yellow, creating a unique contrast with the orange-red new growth. Dark purple blossoms in late spring make this one of the most eye-popping *Spiraea* yet!

**Item #:** 76902 - 2 ¼" • 76904 - 4" • 76905 - Quick Turn

**DOUBLE PLAY DOOZIE™** *(S. x 'NSK2' ppaf, cbra)*

The first-ever sterile, reblooming *Spiraea*! Like all of the Double Play® varieties, spring foliage is the opening act. This selection starts the season with vibrant red and lime leaves that darken as the season progresses. The next act is the hot pink-red flowers that open in June and continue on until frost. All of its energy goes into flowering! Developed by Dr. Thomas Ranney and his crew at NC State.

**Item #:** 76962 - 2 ¼" • 76964 - 4" • 76965 - Quick Turn

**DOUBLE PLAY® Gold** *(S. j 'Yan' pp#21,615, cb#4074)*

Abundant pure pink flowers cover this compact, gold leaved, low mounded beauty. In side by side trials with twenty other gold-leafed *Spiraea*, this plant shined above all others in the landscape and in containers. Awards: MOBOT-Tried and True.

**Item #:** 74762 - 2 ¼" • 74764 - 4" • 74765 - Quick Turn

**DOUBLE PLAY® PAINTED LADY™** *(S. j 'Mnspi')*

Taking color to a whole new level, this *Spiraea* delivers brightly variegated yellow and green foliage and hot pink, late spring flowers. Great for perennial gardens, patio containers or any place you want a splash of color. The variegation is very stable and very consistent. From Minier Nursery of France.

**Item #:** 74622 - 2 ¼" • 74634 - 4" • 74655 - Quick Turn

**DOUBLE PLAY® Pink** *(S. j 'SMNSMFP' pp#26,995, cbra)*

How do you improve *Spiraea*? Create the perfect combination of form, flowers and foliage: a dense mounded habit, memorably dark red spring foliage, and then loads of pure, rich pink flowers in summer. Consider it a vastly improved ‘Anthony Waterer’.

**Item #:** 74132 - 2 ¼" • 74134 - 4" • 74135 - Quick Turn

**DOUBLE PLAY® Red** *(S. j 'SMNSIMFR' pp#26,093, cbra)*

A flower color breakthrough, this is the first and only *Spiraea* with true red flowers. Add in handsome dark burgundy spring foliage for the perfect double play.

**Item #:** 73962 - 2 ¼" • 73964 - 4" • 73965 - Quick Turn

**GLOW GIRL®** *(S. betulifolia ‘Tor Gold’ ppaf, cb#5121)*

It’s the plant every grower wants! Pink buds open to pure white blooms in spring, just in time for the garden center shopping season. Lemon-lime foliage holds its color well, doesn’t burn in summer, and transforms to rich burgundy in fall. There’s no need to space or prune to produce an attractive container. Native.

**Item #:** 73342 - 2 ¼" • 73344 - 4" • 73345 - Quick Turn

**‘Gold Flame’** *(S. j)*

**Item #:** 74212 - 2 ¼" • 74214 - 4" • 74215 - Quick Turn

**‘Goldmound’** *(S. j)*

Bright gold foliage, pink flowers, and a low mounding form. Introduced by W.H. Perron Nursery.

**Item #:** 74272 - 2 ¼" • 74274 - 4" • 74275 - Quick Turn

**‘Little Princess’** *(S. j)*

Larger leaves, faster growth and abundant pink flowers, yet still more compact than other cultivars. Award: PSC.

**Item #:** 74362 - 2 ¼" • 74364 - 4" • 74365 - Quick Turn

**‘Magic Carpet’** *(S. j)*

A dwarf spirea with vibrant red leaf tips above a backdrop of bright golden foliage. Pink-purple flowers in early summer. Use it as a groundcover! Award: GCA.

**Item #:** 74422 - 2 ¼" • 74424 - 4" • 74425 - Quick Turn

**‘Ogon’** *(S. thunbergii)*

A beautiful Japanese selection with bright yellow, small willow-like leaves. Attractive white flowers appear in early spring. The fall color is bronze. Very eye-catching and unique! Award: GMFA.

**Item #:** 75612 - 2 ¼" • 75614 - 4" • 75615 - Quick Turn

**WEDDING CAKE®** *(S. nipponica ‘SMNSNFD’, pp#28,096, cbra)*

Improved flowering and a more compact habit made this improved ‘Snowmound’ *Spiraea* a standout in our trial garden. An explosion of pure white flowers in late May to early June jump out against its dark blue-green foliage. This is a waist-high shrub with a neat, fluffy, ball-shaped habit; a standout in both containers and in the garden.

**Item #:** 75222 - 2 ¼" • 75224 - 4" • 75225 - Quick Turn

**Symphoricarpos • Coral Berry**

Family: Caprifoliaceae (Symphor-i-carpos: Greek: to bear together and fruit)

**PROUD BERRY™** *(S. ‘Sotie’ pp#21,226)*

An improved selection of our North American native selected for its compact growth and profusion of bright pink berries in late summer to autumn. Plant in full sun and prune back to a height of one foot in late winter or early spring to get the best fruit display. Will fruit the first year! Great for mass plantings and for cut flower production. The fruit is not edible. Developed by Catharina Marie Hoekstra-Arizs of the Netherlands. Native.

**Item #:** 77382 - 2 ¼" • 77384 - 4" • 77385 - Quick Turn

**AWARDS:** AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMFA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden. – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
Family: Oleaceae (Syring-a: Greek word for reed-pipe, as hollow stems were used as flute-like instruments)

**BLOOMERANG® Dark Purple** *(S. x ‘SMNJRPU’ ppaf, cbraf)*
Bloomerang® Dark Purple is a bigger plant, with larger, more rounded inflorescences. It’s very showy in spring, and continues to amaze with fragrant blooms from mid-summer to frost. Exceptional vigor makes it a fantastic production plant. Award: Green Thumb Award, DGA.

USDA 3, AHS 7, 4-6’, gr 1, spring rebloomer

Item #: 81442 - 2 ¼” • 81444 - 4” • 81445 - Quick Turn

**BLOOMERANG® Dwarf Pink** *(S. ‘SMNPB7’ ppaf, cbraf)*
A new and improved version of Bloomerang® ‘Pink Perfume’ lilac with darker pink flowers and improved disease resistance. Both growers and consumers with love this plant for its healthy, vigorous growth, fragrance, and smaller habit.

USDA 3, AHS 7, 2.5-3’, gr 1

Spring rebloomer

Item #: 81662 - 2 ¼” • 81664 - 4” • 81665 - Quick Turn

**BLOOMERANG® Purple** *(S. ‘Penda’ ppaf, cbraf)*
The reblooming lilac that rocked the horticultural world – and still does! The highly fragrant flowers burst forth in spring and then again in mid-summer and continue right up until frost. Mildew resistant.

USDA 3, AHS 7, 4-5’, gr 1, spring rebloomer

Item #: 81322 - 2 ¼” • 81324 - 4” • 81325 - Quick Turn

‘Betsy Ross’ *(S. x h. Egolf)*
An American beauty that thrives even in hot climates! Selected for its pure white flowers, compact, rounded growth habit, and mildew tolerance. Thick dark green foliage.

USDA 2, AHS 8, 8-10’, gr 1, spring bloom

Item #: 80752 - 2 ¼” • 80754 - 4”

‘Declaration’ *(S. x h. Egolf)*
Another American beauty that can be grown in hot areas! Selected at the National Arboretum for its very large, fragrant, dark reddish-purple flowers and clean foliage. It has an upright habit and good mildew resistance.

USDA 2, AHS 8, 8-10’, gr 1, spring bloom

Item #: 81202 - 2 ¼” • 81204 - 4”

‘Miss Kim’ *(S. patula)*
A classic dwarf lilac with great disease resistance. Late blooming, with very fragrant icy lavender flowers.

USDA 3, AHS 8, 3-5’, gr 1, spring bloom

Item #: 79302 - 2 ¼” • 79304 - 4”

‘Palibin’ *(S. meyeri)*
Dwarf Korean lilac is a popular plant with reddish purple flower buds that open a lavender-light pink. A strong bloomer with a light, pleasing fragrance. Awards: GMPA, AGM, PSC.

USDA 3, AHS 7, 3-5’, gr 1, spring bloom

Item #: 79202 - 2 ¼” • 79204 - 4”

‘Pocahontas’ *(S. x ‘SMXPM’ ppaf, cbraf)*
An early bloomer with very fragrant, deep reddish-purple, single flowers.

USDA 2, AHS 8, 10-12’, gr 1, spring bloom

Item #: 78682 - 2 ¼” • 78684 - 4”

SCENT AND SENSIBILITY™ Pink *(S. x ‘SNSXPM’ ppaf, cbrf)*
A sweet delight for spring gardens! This dwarf lilac is wider than it is tall, and produces copious dark pink buds which open to soft pink flowers. It is very fragrant. A product of the same breeding program as Bloomerang® lilacs, it does have some rebloom through the summer.

USDA 3, AHS 7, 2-3’ tall and 4-5’ wide, gr 1

Spring bloom

Item #: 81352 - 2 ¼” • 81354 - 4” • 81355 - Quick Turn

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
SCENTARA™ Double Blue (S. × laevigata ‘SMSHBL’ ppaf, cbrf)
A lush, fully doubled, blue lilac with sweet aromatic fragrance. Selected for its unique flowers, compact, rounded growth habit, and mildew tolerance. Thick dark green foliage.
USDA 2, AHS 8, 6-8’, gr 1, spring bloom
Item #: 78472 - 2 ¼” • 78474 - 4” • 78475 - Quick Turn

SCENT AND SENSIBILITY™ Pink Syringa

‘Densiformis’
This landscape standard is a rapid grower with a spreading habit and fluffy bright green needles.
USDA 5, AHS 7, 4-6’, gr 2, evergreen
Item #: 83252 - 2 ¼” • 83254 - 4”

‘Everlow’
Low spreading habit and winter burn resistance. Very popular with landscapers. Award: PSC.
USDA 4, AHS 7, 1-2’, gr 2, evergreen
Item #: 83282 - 2 ¼”

‘Hicksii’
Classic columnar form with dark green foliage. The preferred yew for hedging. Easy to maintain.
USDA 5, AHS 7, 8-10’, gr 2, evergreen
Item #: 83362 - 2 ¼” • 83364 - 4”

Taxus x media • Yew

‘Densiformis’
This landscape standard is a rapid grower with a spreading habit and fluffy bright green needles.
USDA 5, AHS 7, 4-6’, gr 2, evergreen
Item #: 83252 - 2 ¼” • 83254 - 4”

‘Everlow’
Low spreading habit and winter burn resistance. Very popular with landscapers. Award: PSC.
USDA 4, AHS 7, 1-2’, gr 2, evergreen
Item #: 83282 - 2 ¼”

‘Hicksii’
Classic columnar form with dark green foliage. The preferred yew for hedging. Easy to maintain.
USDA 5, AHS 7, 8-10’, gr 2, evergreen
Item #: 83362 - 2 ¼” • 83364 - 4”

Thuja occidentalis • Arborvitae

Family: Cupressaceae (Thu-ja: Greek word for resin or incense, occidentalis meaning Western, as in New World)

‘American Pillar’ (T. o. ‘pp#20,230)
A sport of ‘Hetz Wintergreen’ selected for its super-fast growth and tall, narrow habit. It maintains this useful, desirable columnar shape with minimal pruning and has tremendous potential in both the residential and commercial landscape markets. A single leader variety that has shown some deer resistance, it is also very hardy. Native.
USDA 3, AHS 8, 15-20’, gr 1, evergreen
Item #: 84372 - 2 ¼” • 84374 - 4”

ANNA’S MAGIC BALL™ (T. o. ‘Anna van Vloten’ pp#25,868, cbr#5284)
Dwarf evergreens look great at retail and are very versatile in the landscape. This bright golden evergreen sphere is a sport of ‘Danica.’ From Van Vloten Nursery in Canada, it has good burn-resistance and holds its color nicely in winter. Native.
USDA 3, AHS 7, 10-15”, gr 1.5, evergreen
Item #: 83912 - 2 ¼” • 83914 - 4” • 83915 - Quick Turn

‘Filips Magic Moment’ (T. o. ‘Pp#21,974, cbr#5285)
Dwarf Alberta spruce are extremely popular in residential landscapes - maybe too popular. Here’s an easy-to-grow alternative with the same desirable size and habit, plus bright gold color. It’s perfect for flanking formal entryways, either in the ground or in large containers. Native.
USDA 3, AHS 7, 6-8”, gr 1.5, evergreen
Item #: 84252 - 2 ¼” • 84254 - 4” • 84255 - Quick Turn

FIRE CHIEF™ (T. o. ‘Congabe’ pp#19,009)
Finally! A durable orange globose thuja. This evergreen ball is a bright mutation of ‘Rheingold’ with much brighter spring foliage and deeper red on the tips. It is also less prone to splitting. Native.
USDA 3, AHS 7, 3-4’, gr 1.5, evergreen
Item #: 84232 - 2 ¼” • 84234 - 4”

‘Golden Globe’
This globose evergreen is a slower growing mutation of ‘Woodwardii’ with soft golden-yellow foliage. Native.
USDA 3, AHS 7, 2-3’, gr 1.5, evergreen
Item #: 84292 - 2 ¼” • 84294 - 4”

‘Hetz Midget’
Dense compact globose with fans of green foliage. The growth rate slows and habit becomes more squat with age. This popular dwarf globose was developed by Fairview Nurseries. Native.
USDA 3, AHS 7, 1-2’, gr 1.5, evergreen
Item #: 84322 - 2 ¼” • 84324 - 4”
Thuja continued

**MR. BOWLING BALL®** (T. o. ‘Bobozen’)
A dwarf, mounded globe with soft, silvery-blue juvenile foliage. The habit is tight and compact, creating an outstanding landscape or container plant. Also known in the trade as ‘Linesville,’ which was discovered and named by Joe Stupka. Native.

USDA 4, AHS 7, 12-15”, gr 1, evergreen

Item #: 83952 - 2 ¼” • 83954 - 4”

**‘Nigra Dark Green’**
A pyramidal form with deep green foliage and good winter color. Native.

USDA 3, AHS 7, 10-15”, gr 1.5, evergreen

Item #: 84462 - 2 ¼” • 84464 - 4”

**NORTH POLE®** (T. o. ‘Art Boe’ pp#22,174, cbr#3912)
This fast-growing narrow columnar selection of ‘Wintergreen’ has excellent hardiness and dark green winter foliage color. More narrow than ‘Smaragd’ (aka ‘Emerald Green’), it is also resistant to winter burn. Developed by Art Boe of Faribault, MN. Native.

USDA 3, AHS 7, 10-15”, gr 1, evergreen

Item #: 84472 - 2 ¼” • 84474 - 4” • 84475 - Quick Turn

**PANCAKE™** (T. o. ‘Concesarini’ pp#24,013)
No pruning is necessary to maintain the distinctive flattened shape of this appealing arborvitae. The juvenile foliage turns a lovely blue hue in fall and winter. Native.

USDA 3, AHS 7, 1’ tall and 2-3’ wide, gr 1.5, evergreen

Item #: 84482 - 2 ¼” • 84484 - 4”

**POLAR GOLD™** (T. o. ‘SMTOYB’ pp#25,388, cbraf)
Polar Gold™ Thuja has attractive gold foliage year-round and is perfectly sized for residential landscapes. Similar to ‘Brandon’ in size and habit, its dense, finely-textured foliage is resistant to windburn. Native.

USDA 3, AHS 7, 12-15’ tall and 4-6’ wide, gr 1, evergreen

Item #: 84072 - 2 ¼” • 84074 - 4” • 84075 - Quick Turn

**SKYWALKER™** (T. o. ‘SMTOBP’ pp#25,700)
The force is strong in this one…with its very narrow habit and good resistance to windburn, it will be a great addition to landscapes. Similar to ‘Brandon’ in height, but it has a very conical shape. Native.

USDA 3, AHS 7, 12-15’ tall and 3-5’ wide, gr 1, evergreen

Item #: 84102 - 2 ¼” • 84104 - 4”

**‘Smaragd’**
Known in North America as ‘Emerald Green,’ this arborvitae is a very popular, tight pyramidal form with shiny, bright emerald-green foliage and good winter color. A classic from D.T. Poulsen, Denmark. Native. Award: PSC.

USDA 4, AHS 7, 10-15”, gr 1.5, evergreen

Item #: 84632 - 2 ¼” • 84634 - 4”

**THIN MAN™** (T. o. ‘SMTOTM’ pp#25,672)
Fast growing and perfect for screens! Its narrow habit makes it easy to fit into landscapes, and provides four season privacy. It holds its winter color well. Native.

USDA 3, AHS 7, 12-15’, gr 1, evergreen

Item #: 83942 - 2 ¼” • 83944 - 4” • 83945 - Quick Turn

**TINY TOT™** (T. o. ‘SMNTOBAB’ ppaf, cbraf)
A dwarf globe thuja, slightly taller than wide, with swirling fans of dark green foliage. This seedling of ‘Brandon’ has shown itself to be hardy and burn resistant, and to make a neat and tidy container. Faster growing than ‘Danica’ or ‘Hetz Midget.’ Perfect for small gardens.

USDA 3, AHS 7, 12-15’, gr 1, evergreen

Item #: 84042 - 2 ¼” • 84044 - 4” • 84045 - Quick Turn

**FLUFFY™** (T. p. ‘SMNTPGF’ ppaf, cbraf)
A unique, dwarf arborvitae with glossy, golden, fluffy foliage. It has proven itself to be winter hardy and burn resistant. Maintains excellent winter color and a tight pyramidal habit.

USDA 5, AHS 8, 5-10’, gr 1, evergreen

Item #: 85372 - 2 ¼” • 85374 - 4” • 85375 - Quick Turn

SPRING GROVE® *(T. p. 'Grovepli')*

A hardy and fast-growing Western arborvitae selected at Spring Grove Cemetery and Arboretum in Cincinnati, OH. Spring Grove® thuja is a superior selection with rich green foliage that maintains excellent winter color and a tight pyramidal habit. This clone has experienced -25º F temperatures without missing a beat! It has shown excellent resistance to deer browsing. Native. Award: First Choice Award.

USDA 5, AHS 8, 25-30', gr 1, evergreen 🌳 🌹

**Item #:** 85412 - 2 ¼" • 85414 - 4" • 85415 - Quick Turn

‘Green Giant’ *(syn. T. x 'Green Giant')*

A hybrid between *T. plicata* and *T. standishii* with excellent vigor, it has lustrous rich medium green foliage and a broad pyramidal habit. Found as a seedling by S. Poulsen in Kristgaard, Denmark. Native. Award: GMPA

USDA 5, AHS 8, 30-40+, gr 1, evergreen 🌳 🌹

**Item #:** 85802 - 2 ¼" • 85804 - 4"

**Viburnum** • **Viburnum**

Adoxaceae (Viburn-um: Ancient Roman name for the plant)

Fragrant viburnum

*x burkwoodii*

Spicy fragrant blooms are pink in bud and open white. Dark, glossy, semi-evergreen foliage gives this plant multi-season interest. Award: AGM

USDA 5b, AHS 8, 5-8', gr 1.5, spring bloom 🌳 🌹 🌹 🌹 🌹

**Item #:** 86512 - 2 ¼" • 86514 - 4"

‘Mohawk’ *(V. x burkwoodii)*

A backcross with *V. carlesii* selected for its reddish-pink buds and intensely fragrant white flowers. Its disease-resistant glossy foliage turns a rich orange-red in autumn. A Don Egolf/USNA introduction. Award: GMPA

USDA 5b, AHS 8, 8-9', gr 1.5, spring bloom 🌳 🌹 🌹 🌹 🌹

**Item #:** 86562 - 2 ¼"

*V. carlesii*

Spicy sweet fragrance fills the air in early spring when the pink buds expand to white snowball flowers. Beautiful burgundy fall color is icing on the cake. Award: AGM.

USDA 5, AHS 8, 6-8', gr 1.5, spring bloom 🌳 🌹 🌹 🌹 🌹

**Item #:** 86652 - 2 ¼" • 86654 - 4"

**SPICE BABY™** *(V. x burkwoodii)*

Wow! A compact Koreanspice viburnum that’s also a good production plant! With its fragrant spring blooms and attractive habit, this seedling of ‘Compactum’ is a valuable addition to your product line. Large, fragrant blooms appear during peak spring sales. Excellent fall color.

USDA 4, AHS 8, 3.5-5', gr 1.5, spring bloom 🌳 🌹 🌹 🌹 🌹

**Item #:** 86662 - 2 ¼"

**SPICE GIRL®** *(V. x 'Spiro')*

Everything grows, retailers, and consumers want in a Koreanspice viburnum and more: strong growth, fragrance, and colorful flowers. The spring flowers start out deep reddish-pink and mature to blush pinkish-white. Excellent fall color.

USDA 4, AHS 8, 6-7' tall and wide, gr 1.5

spring bloom 🌳 🌹 🌻 🌹 🌹

**Item #:** 86692 - 2 ¼"

Northern witherod viburnum

**LIL' DITTY®** *(V. cassinoides)*

Outstanding dwarf viburnum is a puffball of creamy-white flowers in late spring. An adaptable, easy to grow landscape shrub that is perfect for mass plantings, foundations, and the outer edge of water gardens. Native.

USDA 3, AHS 8, 1-2', gr 1, late spring bloom 🌳 🌹 🌻 🌹 🌻

**Item #:** 86762 – 2 ¼" • 86764 - 4" • 86765 - Quick Turn

Call Spring Meadow Nursery at (800) 633-8859 or visit us online at www.SpringMeadowNursery.com
ALL THAT GLITTERS® (V. dentatum var. deamii ‘SMVOLS’ pp#26,576, cbr#5410)  Unusually glossy foliage makes for very appealing presence in the garden center and in the landscape. Much smaller than typical V. dentatum, this handsome shrub is a nice size for residential plantings. Large white flower clusters appear in spring, followed by abundant blue fruit when planted near its companion, All That Glitters® viburnum. Native.
USDA 4, AHS 8, 4-5’, gr 1, early summer bloom, fall fruit  
Item #: 86432 - 2 ¼” • 86434 - 4” • 86435 - Quick Turn

ALL THAT GLOWS® (V. dentatum var. deamii ‘SMVDBL’ pp#25,897, cbr#5409)  
The high-gloss shine of this compact viburnum will really catch your eye; so will the white flower clusters and showy blue berries. About half the size of a typical V. dentatum, this variety has an attractive dense habit. The fruit size and set is quite large, especially for such a small plant; plant near companion All That Glitters® viburnum for best fruit production. Native.
USDA 4, AHS 8, 4-6’, gr 1, early summer bloom, fall fruit  
Item #: 86462 - 2 ¼” • 86464 - 4” • 86465 - Quick Turn

BLUE MUFFIN®  (V. d. ‘Christom’)  
A compact selection with glossy leaves and intense blue fruit in late summer. Perfect for residential landscapes, it makes a great hedge. More copious amounts of fruit when two distinct varieties of the species are planted in close proximity. Chicago Lustre® viburnum is a good pollinator. Native.
USDA 3, AHS 8, 10-12’, gr 1, late spring bloom, fall fruit  
Item #: 86862 - 2 ¼” • 86864 - 4” • 86865 - Quick Turn

CHICAGO LUSTRE® (V. d. ‘Synnestvedt’)  
Glossy foliage is the outstanding feature of this rapid growing, upright rounded plant. It is not grown for its fall color. A Chicagoland Grows introduction. Native.
USDA 4, AHS 8, 10-12’, gr 1, late spring bloom, fall fruit  
Item #: 86892 - 2 ¼” • 86894 - 4”

CARDINAL CANDY™ (V. dilatatum ‘Henneke’ pp#12,870)  
A special plant with improved hardiness and persistent shiny scarlet red fruit. Fruiting appears strong, even without another pollinator in the area. Discovered in a batch of seed-grown plants after a -30º cold spell killed off all except Cardinal Candy™. Tons of creamy white flowers cover this well-branched, rounded plant in spring. May be easily maintained at a lower height with pruning. Selected by Rod Henneke.
USDA 5, AHS 8, 6-8’, gr 1, late spring bloom, fall fruit  
Item #: 87232 - 2 ¼” • 87234 - 4” • 87235 - Quick Turn

TANDOORI ORANGE™ (V. d. ‘SMNVDMDO’ ppaf, cbraf)  
The first-ever orange fruited V. dilatatum comes from a cross between red fruited Cardinal Candy™ and yellow fruited ‘Michael Dodge’. A good production plant that makes an attractive, blooming container. Orange-red autumn foliage adds to its interest. Use Cardinal Candy™ viburnum as a pollinator to ensure abundant fruit set.
USDA 5, AHS 8, 6-8’, gr 1, late spring bloom, fall fruit  
Item #: 87344 - 4” • 87345 - Quick Turn

BRANDYWINE™ (V. nudum ‘Bulk’)  
Experience the most beautiful berry display in the plant kingdom with this viburnum from noted plantsman Mark Bulk. It delivers breathtaking color, with berries that transform from green to ivory to vivid pink and blue. This selection sets fruit without a pollinator, but when planted near ‘Winterthur’ viburnum, both develop abundant berries. Showy glossy leaves change to incredible dark maroon-red in autumn. Native.
USDA 5, AHS 8, 5-7’, gr 1, spring bloom, fall color  
Item #: 87742 - 2 ¼” • 87744 - 4” • 87745 - Quick Turn

AWARDS:  AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden  –  NOTE:  gr - number of growing seasons to produce a 1-gallon container from the smallest available liner
European cranberrybush viburnum

‘Roseum’ *V. opulus*
Snowball bush. Everyone loves this rounded plant with its masses of white flowers. Sterile, non-fruiting. Award: AGM.
USDA 3, AHS 8, 8-12’, gr 1, late spring bloom 

Item #: 67932 - 2 ¼” • 87934 - 4”

'OH CANADA’™ (*V. o. ‘SMVCDR’ ppaf, cbraf)*
An incredibly colorful cranberrybush viburnum with bright yellow maple-like leaves that flush dark orangey-red in spring and early summer. Site in part shade in warmer climates.
USDA 3, AHS 8, 6-8’, gr 1, late spring bloom 

Item #: 67892 - 2 ¼” • 87894 - 4”

Doublefile viburnum

‘Mariesii’ (*V. plicatum var. tomentosum)*
Horizontally branched habit accentuated with masses of flat white flowers. Attractive, light green foliage and bright red fruit. Superb fall color! Awards: AGM, PSC.
USDA 5, AHS 8, 8-10’, gr 1, spring bloom 

Item #: 88362 - 2 ¼” • 88364 - 4”

‘Shasta’ (*V. p. t.)*
Abundant lace-cap flowers with large sterile florets. The growth habit is strongly horizontal. Bright red fruit and purple-maroon autumn leaf coloration. A USNA introduction. Award: GMGA
USDA 5, AHS 8, 4-6’, gr 1, spring bloom, fall fruit 

Item #: 88462 - 2 ¼” • 88464 - 4”

‘Summer Snowflake’ (*V. p. t.)*
Long blooming, with compact habit and charming red autumn fruit, it was discovered in the wild in Japan in early 1960’s by R.F. Michaud of Alpenglow Gardens. Introduced by UBC. Looks and acts identical to ‘Watanabei’ but is perhaps more compact.
USDA 5, AHS 8, 4-6’, gr 1, spring bloom, fall fruit 

Item #: 88532 - 2 ¼” • 88534 - 4”

Prague viburnum

‘Decker’ (*V. pragense)*
A hardy, fast growing gem with very attractive lustrous dark green leaves and pink budded flowers which open white. Selected by Decker Nursery of Ohio for its hardiness.
USDA 5, AHS 8, 8-10’, gr 1, late spring bloom 

Item #: 88592 - 2 ¼” • 88594 - 4”

Lantanaphyllum viburnum

‘Alleghany’ (*V. x rhytidophylloides)*
A stately semi-evergreen viburnum noted for its dark green, rugose leaves and attractive red fruit in late summer. Large, 4-8”, creamy-yellow flowers in spring. A USNA introduction.
USDA 5, AHS 8, 6-8’, gr 1.5, spring bloom 

Item #: 88852 - 2 ¼” • 88854 - 4”

EMERALD ENVY® (*V. x r. ‘NCVR1’ pp#28.094)*
Bold, glossy, emerald green leaves with a dense, compact habit makes this improved lantanaphyllum viburnum a standout amongst its peers. A remarkably handsome, super tough semi-evergreen with loads of creamy white flowers in spring. Developed by Dr. Tom Ranney of NCSU.
USDA 6, AHS 9, 6-8’, gr 1, spring bloom 

Item #: 88672 - 2 ¼” • 88674 - 4” • 88675 – Quick Turn
**RED BALLOON®** (V. x r. ‘Redell’ pp#24,227, cbr#4913)
Showy and easy to grow, this compact, well-branched hybrid makes a really sharp, balanced container. Spring brings loads of white flowers, followed by bright red fruit, tightly packed into showy clusters in late summer and fall. Enhance fruiting by planting it near V. ‘Mohican’ or V. x rhytidophylloides ‘Alleghany’.

USDA 4, AHS 8, 6-8’, gr 1, spring bloom 
Item #: 91432 - 2 ¼" • 91434 - 4" • 91435 - Quick Turn

**American Cranberrybush**

**REDWING®** *(V. triobotum ‘J.N. Select’)*
Selected by Johnson’s Nursery in Wisconsin for its form, growth rate and attractive red-tinted new foliage. White flowers in spring are followed by persistent, bright red fruit. Bright red to wine red fall foliage. Native.

USDA 2, AHS 7, 8-9’, gr 1, late spring bloom 
Item #: 88852 - 2 ¼" • 88854 - 4"

**Hybrid varieties**

**HANDSOME DEVIL®** *(V. ‘La Bois Marquis’ pp#21,686)*
This elegant, glossy evergreen viburnum was selected for its green, burgundy, and orange-bronze hues in the new growth and in autumn. Lush, dense habit makes an excellent hedge or specimen. Pure white June flowers are followed by red fruit which mature to black. A cross between *V. awabuki* and *V. hillieri* ‘Winton’, it is a good production plant developed by Minier Nursery. For best fruiting, use *V. odoratissimum* as a pollinator.

USDA 7, AHS 8, 3-5’, gr 1, early summer bloom 
Item #: 98702 - 2 ¼" • 98704 - 4" • 98705 - Quick Turn

**CZECHMARK™ Series**
Bred and selected for hardiness, extra large flowers and a range of vivid colors, these weigelas represent some of the best Czech breeding we’ve found. The floral display gives them irresistible appeal at retail and in the landscape.

**CZECHMARK SUNNY SIDE UP™** *(W. f. ’VKO2Z041323’ ppaf, cbraf)*
A unique and showy weigela with crisp white and yellow flowers that contrast boldly against its dark green leaves.

USDA 4, AHS 8, 3-4.5’, gr 1, spring bloom 
Item #: 97682 - 2 ¼" • 97684 - 4" • 97685 - Quick Turn

**CZECHMARK TRIOLOGY™** *(W. f. ’VKOZ2Gemini’ ppaf, cbraf)*
Think of Czechmark Trilogy™ weigelas as an improved, more compact “Caraval” with larger flowers and more vivid flower hues of white, pink and red appearing at once above the glossy foliage.

USDA 4, AHS 8, height 3-3.5’, gr 1, spring bloom 
Item #: 97672 - 2 ¼" • 97674 - 4" • 97675 - Quick Turn

**CZECHMARK TWOPINK™** *(W. f. ’VKO2Z0345’ ppaf, cbraf)*
A standout in our trial garden, this weigela displays an abundance of large pink flowers, some dark pink and some light pink.

USDA 4, AHS 8, height 3-3.5’, gr 1, spring bloom 
Item #: 97732 - 2 ¼" • 97734 - 4" • 97735 - Quick Turn

**FINE WINE®** *(W. f. ’Bramwell’ pp#18,513)*
This next generation of Wine & Roses® weigela: the same dark burgundy foliage, but with a compact mounded habit similar to *Spiraea japonica*. It’s a refined plant with abundant pink flowers and appealing texture. Great for the front of the border, the perennial bed, or as a low foundation plant.

USDA 4, AHS 8, 2-3’, gr 1, spring bloom 
Item #: 96102 - 2 ¼" • 96104 - 4” • 96105 - Quick Turn

**GHOST®** *(W. f. ’Carlton’ pp#20,025, cbr#3860)*
Dark reddish-pink flowers in spring, and again in summer. The real show is the remarkable foliage that magically turns to a ghostly, iridescent buttercream as the summer progresses.

USDA 4, AHS 8, 4-5’, gr 1, spring rebloomer 
Item #: 98422 - 2 ¼" • 98424 - 4" • 98425 - Quick Turn

**MIDNIGHT WINE®** *(W. f. ’Ehersa’ pp#12,217, cbr#2643)*
A marvelous low mounding, dwarf version of Wine & Roses® weigela that’s perfect for the front of the border. Developed by Herman Geers. Awards: MOBOT Tried and True. Primarily a foliage plant.

USDA 5, AHS 8, 10-12’, gr 1, foliage interest 
Item #: 97602 - 2 ¼” • 97604 - 4” • 97605 - Quick Turn

**SHINY DANCER®** *(V. ‘NCVX1’ pp#28,095)*
An extraordinary compact viburnum, noted for its surreal waxy leaves that are tinged with an attractive red margin. Abundant ivory flowers adorn this shrub in spring. The dark green, heavily textured, semi-evergreen foliage turns burgundy-red in late autumn. This easy to grow, adaptable landscape plant was developed by Dr. Tom Ranney of NCSU by crossing V. ‘Huron’ with V. ‘Chippeawa’. Use either parent as a pollinator for a crop of persistent dark red fruit.

USDA 6, AHS 8, 3-5’, gr 1, late spring bloom 
Item #: 92204 - 2 ¼” • 92205 - Quick Turn

**Vitonex**
Lamiaceae (Vit-ex: Ancient Greek name used for the plant)

**BLUE DIDDLEY®** *(V. agnus-castus ’SMACB01’ pp#16,614)*
This dwarf chaste tree is a fun little ball of lavender-blue flower spikes in mid-summer. Its compact size gives it better container presentation than other varieties.

USDA 6(5b), AHS 9, 3-6’, gr 1, summer bloom 
Item #: 94012 - 2 ¼” • 94014 - 4” • 94015 - Quick Turn

**Weigela florida* Weigela**
Family: Caprifoliaceae (*Weigela* a: Named for C.F. Weigel, 1748-1831, German Professor; florid-a, free-flowering)

**CZECHMARK™ Series**
Bred and selected for hardiness, extra large flowers and a range of vivid colors, these weigelas represent some of the best Czech breeding we’ve found. The floral display gives them irresistible appeal at retail and in the landscape.

**CZECHMARK SUNNY SIDE UP™** *(W. f. ’VKO2Z041323’ ppaf, cbraf)*
A unique and showy weigela with crisp white and yellow flowers that contrast boldly against its dark green leaves.

USDA 4, AHS 8, 3-4.5’, gr 1, spring bloom 
Item #: 97682 - 2 ¼” • 97684 - 4” • 97685 - Quick Turn

**CZECHMARK TRIOLOGY™** *(W. f. ’VKOZ2Gemini’ ppaf, cbraf)*
Think of Czechmark Trilogy™ weigelas as an improved, more compact “Caraval” with larger flowers and more vivid flower hues of white, pink and red appearing at once above the glossy foliage.

USDA 4, AHS 8, height 3-3.5’, gr 1, spring bloom 
Item #: 97672 - 2 ¼” • 97674 - 4” • 97675 - Quick Turn

**CZECHMARK TWOPINK™** *(W. f. ’VKO2Z0345’ ppaf, cbraf)*
A standout in our trial garden, this weigela displays an abundance of large pink flowers, some dark pink and some light pink.

USDA 4, AHS 8, height 3-3.5’, gr 1, spring bloom 
Item #: 97732 - 2 ¼” • 97734 - 4” • 97735 - Quick Turn

**FINE WINE®** *(W. f. ’Bramwell’ pp#18,513)*
This next generation of Wine & Roses® weigela: the same dark burgundy foliage, but with a compact mounded habit similar to *Spiraea japonica*. It’s a refined plant with abundant pink flowers and appealing texture. Great for the front of the border, the perennial bed, or as a low foundation plant.

USDA 4, AHS 8, 2-3’, gr 1, spring bloom 
Item #: 96102 - 2 ¼” • 96104 - 4” • 96105 - Quick Turn

**GHOST®** *(W. f. ’Carlton’ pp#20,025, cbr#3860)*
Dark reddish-pink flowers in spring, and again in summer. The real show is the remarkable foliage that magically turns to a ghostly, iridescent buttercream as the summer progresses.

USDA 4, AHS 8, 4-5’, gr 1, spring rebloomer 
Item #: 98422 - 2 ¼” • 98424 - 4” • 98425 - Quick Turn

**MIDNIGHT WINE®** *(W. f. ’Ehersa’ pp#12,217, cbr#2643)*
A marvelous low mounding, dwarf version of Wine & Roses® weigela that’s perfect for the front of the border. Developed by Herman Geers. Awards: MOBOT Tried and True. Primarily a foliage plant.

USDA 5, AHS 8, 10-12’, gr 1, foliage interest 
Item #: 97602 - 2 ¼” • 97604 - 4” • 97605 - Quick Turn
Weigela continued

**MY MONET® (W. f. ‘Verweig’ pp#16,824, cbr#3315)**
A sport of ‘Tango’, dwarf My Monet® weigela has a tight habit and colorful foliage. Pink, white and green variegated foliage often takes on deep pink tones in late summer. Create a drift along the edge of an annual or perennial bed, or brighten up semi-shady areas. Awards: MOBOT Tried and True; 2006 Best of Show Far West Show; Gold Medal Boskoop Royal Horticulture Society; 2007 Hot Shrubs People Places and Plants; 2007; 2006 Gold Medal Plantarium.

Item #: 98882 - 2 ¼” • 98884 - 4” • 98885 - Quick Turn

**MY MONET® ‘Sunset’ (W. f. ‘Sunset’ pp#23,212, cbr#4691)**
This unique dwarf weigela has very attractive gold foliage and extraordinary, sunset-hued fall color. Grown primarily for its foliage, it occasionally produces soft, rosy pink flowers. Add it to the front of beds and borders for multi-season color.

Item #: 94832 - 2 ¼” • 94834 - 4” • 94835 - Quick Turn

**SNIPPET™ Series**
Snippett™ weigelas are the perfect package of this old fashioned favorite: reblooming with a useful rounded dwarf habit.

**SNIPPET™ Dark Pink (W. f. ‘VUK02Lyra’ ppaf, cbraf)**
A hardy dwarf weigela from the Czech Republic with rich, dark pink flower color than ‘Pink Poppet’ or ‘Minuet.’ It reblooms quite nicely and can be cycle-pruned to deliver a flowering crop to garden centers through the season.

Item #: 97802 - 2 ¼” • 97804 - 4” • 97805 - Quick Turn

**SNIPPET LIME™ (W. f. ‘VUK02047213’ ppaf, cbraf)**
A hardy dwarf weigela from the Czech Republic with fresh, lime green foliage and pure pink blooms. It also reblooms quite nicely and can be cycle-pruned to deliver a flowering crop to garden centers through the season.

Item #: 97692 - 2 ¼” • 97694 - 4” • 97695 - Quick Turn

**SONIC BLOOM® Series**
The Sonic Bloom® series boasts the strongest reblooming ever seen in weigela, with loads of flowers in late spring, followed by waves of flowers until frost. Pruning is not required to get repeat blooms. These beautiful plants extend your garden show and the sales season. Grow all three colors to get the full effect of a Sonic Bloom® weigela!

**SONIC BLOOM® Pearl (W. f. ‘Botrasopin’ pp#24,585, cbr#4598)**
The flowers open pure white with a yellow throat then change to pink, with multiple colors appearing on a single plant. The flowers really pop against the bright green foliage.

Item #: 96372 - 2 ¼” • 96374 - 4” • 96375 - Quick Turn

**SONIC BLOOM® Pink (W. f. ‘Botrasopea’ pp#24,572, cbr#4597)**
Hot pink buds open to deep pink flowers. A very potent rebloomer.

Item #: 96142 - 2 ¼” • 96144 - 4” • 96145 - Quick Turn

**SONIC BLOOM® Pure Pink (W. f. ‘SMNWFRP’ ppaf, cbraf)**
A new addition to the Sonic Bloom® series of reblooming weigelas. This upright, heavy flowering selection has loads of bright, pure pink blooms and is noted for its exceptional propensity to reboom.

Item #: 95502 - 2 ¼” • 95504 - 4” • 95505 - Quick Turn

**SONIC BLOOM® Red (W. f. ‘Verweig 6’ pp#25,132, cbr#4716)**
The lipstick-red flowers are remarkable enough to make this a choice selection, but a burst of flowers in May followed by waves of rebloom make it a must-have garden plant.

Item #: 96242 - 2 ¼” • 96244 - 4” • 96245 - Quick Turn

* Sonic Bloom® is a registered trademark of the Syngenta Group Company.

AWARDS: AGM Royal Horticultural Society Award of Garden Merit • GCA Growers Choice Award • GMPA Gold Medal Plant Award, Pennsylvania Horticultural Society • PSC Ohio Plant Selection Committee • CARY Cary Award • MOBOT Missouri Botanic Garden. – NOTE: gr - number of growing seasons to produce a 1-gallon container from the smallest available liner.
SPILLED WINE® (W. f. ‘Bokraspiwi’ pp#23,781, cbr#4655)
Spilled Wine® weigela has dark red, wavy leaves and a spreading habit. Its hot pink-magenta flowers are similar to those of Wine & Roses® weigela, but this is a smaller plant that is wider than it is tall. Perfect for edging or filling in spaces in a sunny border.
USDA 4, AHS 8, 2-3’ tall and 3’ wide, gr 1, spring bloom 🌸 🌸 🌸
Item #: 96132 - 2 ¼” • 96134 - 4” • 96135 - Quick Turn

WINE & ROSES® (W. f. ‘Alexandra’ pp#10,772, cbr#2642)
Now a landscape standard, thanks to its dark burgundy-purple foliage and intense rosy-pink colored flowers. Full sun for darkest color. A “knock your socks off” shrub developed by Herman Geers of the Netherlands. Awards: GMPA; AGM; Silver Medal Boskoop Royal Horticulture Society.
USDA 4, AHS 8, 4-5’, gr 1, spring bloom 🌸 🌸 🌸
Item #: 99002 - 2 ¼” • 99004 - 4” • 99005 - Quick Turn

"On our clay-laden, new construction lot, I was worried about our landscaping. Of everything we’ve planted, our Proven Winners Wine & Roses has performed best and most beautifully. It’s been a quick grower. It gets lots of hot direct sunlight in the summer months and has thrived—and it flowers phenomenally. It also survived a very harsh southern Michigan winter. We get so many compliments on this shrub, and we love it. I’m going to plant more of these!"
- Jennifer, MI
PARTNERING WITH PLANT BREEDERS FOR OVER 20 YEARS

Plant breeders like you provide the passion, dedication and vision to create new and better plants. Working as your partner, we can provide you with secure trialing, plant patent and breeder’s rights assistance, licensing, an international grower network, royalty collection, and world class marketing that includes access to Proven Winners®, the number one plant brand.

Spring Meadow has a proven track record of partnering with breeders from England, France, Germany, Poland, Belgium, Hungary, Japan, Korea, the Netherlands, the Czech Republic, Canada, and the United States: partnerships that deliver results and rewards for breeders, growers, retailers and consumers.

OVER 170 AWARDS – AND COUNTING

When a plant wins an award, it shows the public that the variety has earned a third-party endorsement. This, in turn, helps consumers make buying decisions in an otherwise crowded display of plants at a busy garden center. We include “Award Winner” as the main call-out on our plant tags where appropriate and include this information on our website and the Proven Winners website as well. Here’s a look at some recent award winners:
1. **BINDING CONTRACT.** These terms and conditions set forth the sole terms for the sale of goods and services by Spring Meadow Nursery, Inc., a Michigan corporation ("Spring Meadow"), and any contract made for the sales of goods and services by Spring Meadow is expressly conditional on Buyer’s assent to the terms stated herein. Spring Meadow disclaims, objects and rejects any Buyer document, including a purchase order or confirming order that in any way adds to, varies, conflicts with or attempts to alter these terms. In the event of any dispute between these terms and any document of Buyer, these terms shall control.

2. **PRICES AND TAXES.** All prices are FOB Spring Meadow’s place of business. All future orders will be confirmed immediately but are subject to applicable prices at the time of shipment. All prices are subject to change without notice. The amount of any local, state or federal tax levied on the goods is not charged by Spring Meadow due to its agricultural designation and shall remain the sole responsibility of Buyer. Packing and shipping charges are not included in the prices and will be added to the invoice at the time of shipment. Cash in advance accounts will prepay the packing/shipping charge. If actual shipping charges exceed our estimate, Buyer will be responsible for all additional charges incurred. Effective 7/1/2012 Buyer agrees that Buyer will not sell wholesale any Proven Winners® ColorChoice® finished plants at prices less than the Quality Standard Pricing that Spring Meadow assigns to its products from time to time. Quality Standard Pricing is subject to change on an annual basis without notice. Spring Meadow will publish an annual Quality Standard Pricing standard. Please contact the sales department for a copy.

3. **MINIMUM ORDER.** Spring Meadow’s minimum order is 1 tray of a cultivar and a total order of not less than 20 trays.

4. **CREDIT ACCOUNTS.** Orders will be accepted on a CASH IN ADVANCE basis only unless a written credit application has been submitted to and approved by Spring Meadow. Processing time is approximately 6 weeks; we encourage customers to apply for terms during the off season, as processing times may be longer during the shipping season. If buyer has established credit in the manner described above, the payment terms are 2% 10 NET 30. Any portion of the order cost not paid in accordance with these payment terms shall bear interest from the due date in the amount of 1.5% per month or at a rate not to exceed lawful limits, until paid. Payment on delinquent accounts is applied first to accrued interest. The early payment discount does not apply when credit cards are used for payment on credit accounts. Buyer shall reimburse Spring Meadow for all actual costs and attorneys’ fees incurred in enforcing any term of this agreement. A $25.00 charge will be assessed for all payments returned for insufficient funds.

5. **CASH IN ADVANCE ACCOUNTS; VISA AND MASTERCARD ACCOUNTS.** A 25% deposit is encouraged for all credit card (Visa, Master Card) and cash in advance orders. Although the deposit is not required, inventory will be allocated first to customers who have set up 2% 10 NET 30 terms, then to orders with a deposit in place. Payment in full must be received 30 days prior to shipping date; credit cards will be charged in full 30 days prior to shipping. Canceled orders may be charged a processing and/or restocking fee. Freight and packaging for credit card orders will be charged upon shipment.

6. **SHIPPING AND DELIVERY.** All shipments are FOB Spring Meadow’s place of business, and all risk of loss and damage to the goods passes to Buyer upon delivery of goods to the common carrier. Any dates or schedules that are specified for delivery of services or goods are stated only approximately, calculated from the date of receipt of Buyer’s order. All plant varieties are not available for fall or dormant winter/spring shipping. Spring Meadow will attempt to deliver plants as close as possible to a requested ship date, but reserves the right to adjust the shipping date based on the quality and readiness of the plants. Each tray of plants is boxed, stacked on pallets or racked, and then stretch-wrapped, or netted together as one shipping unit. Palletized or racked shipments are normally a better value than FedEx if Buyer’s order exceeds 15 trays. Buyer must notify us in advance if unable to accept a pallet shipment. Spring Meadow ships FedEx in custom designed boxes. Four trays per box, specially packed in an upright position travel to Buyer’s door.

7. **SHIPPING DAMAGES CLAIMS.** All shipping damages must be noted at the time of receipt of goods from the carrier. Any box breakage or other obvious damages must be noted in writing on the carrier’s bills of lading. Claim forms are available from the carrier.

8. **FORCE MAJEURE.** Spring Meadow shall not be responsible or liable for any delays in service completion due to any cause or condition beyond its control, including, without limitation, fire, flood, earthquake, labor dispute, shortage of materials or supplies, riot or other civil disturbance, war, acts of God or nature, accident, or any acts of any government.

9. **PROVEN WINNERS® COLORCHOICE® FEES.** Proven Winners® ColorChoice® fees are collected to cover patent, trademark, breeder, brand and marketing costs in addition to the listed plant price. Proven Winners® ColorChoice® fees are subject to change without notice.

10. **PROVEN WINNERS BRAND.** Upon the purchase of any patented or trademarked plants from Spring Meadow, Buyer agrees to the following: (a) To purchase and affix the trademark and/or patent tag, which properly identifies the plant, to each plant sold. (b) To clearly identify proper plant names including plant patent numbers and trademark names in all sales literature. (c) To feature the Proven Winners® ColorChoice® branded product line and not affix other branded tags or co-brand with any other brand. (d) To not propagate or aid in the illegal propagation of any Proven Winners® ColorChoice® plant without a license. (e) To sell Proven Winners® ColorChoice® plants in approved Proven Winners® ColorChoice® branded containers. NOTE: FEDERAL LAW STRICTLY PROHIBITS THE ASEXUAL PROPAGATION OF PATENTED PLANTS, WITHOUT A LICENSE. STATE AND/OR FEDERAL LAW PROHIBITS THE UNAUTHORIZED USE OF TRADEMARKS.

11. **LIMITED WARRANTY.** Spring Meadow warrants its plants to be true to name, to be inspected by the Michigan Department of Agriculture and certified to be apparently free of dangerous insects and dangerously contagious plant diseases, and to be in good living condition at the time of delivery to the common carrier. Buyer’s remedy is limited, in the sole discretion of Spring Meadow, to replacement of any plants determined to be defective and covered by this limited warranty. Replacement plant material will be provided as soon as production plans permit and will be shipped by Spring Meadow at no cost to Buyer.

12. **EXCLUSION OF OTHER WARRANTIES.** THE LIMITED WARRANTY STATED ABOVE IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND SPRING MEADOW HEREBY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY KIND OR NATURE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR FUTURE GROWTH. NO WARRANTIES OR REPRESENTATIONS MADE AT ANY TIME BY ANY REPRESENTATIVE OF SPRING MEADOW SHALL BE EFFECTIVE TO VARY OR EXTEND THE LIMITED WARRANTY OR OTHER TERMS.

13. **LIMITATION OF CLAIMS FOR DEFECTIVE PLANTS.** No plant claims covered by the limited warranty may be brought against Spring Meadow more than ten (10) days after shipment. Claim notification must be in writing. No claims will be paid on plants shipped while dormant.

14. **LIMITATION ON LIABILITY.** Under no circumstance shall Spring Meadow’s liability to Buyer exceed the value of this agreement. Under no circumstances, whether arising in contract, tort, equity or otherwise, shall Spring Meadow be liable for consequential, incidental or special damages (including loss of use, lost profits, increased operating or maintenance expense), related to the provision of services or goods.

15. **APPLICABLE LAW:** This agreement shall be deemed made in Ottawa County, Michigan and shall be governed by Michigan law without regard to its conflict of laws principles.

16. **DISPUTE RESOLUTION.** Any action arising out of it shall be governed by Michigan law and shall be brought in the District or Circuit Court for Ottawa County or in the U.S. District Court for the Western District of Michigan. Buyer consents that such courts shall have personal jurisdiction over Buyer as to any such action and that the mailing of any process to Buyer’s last known address by registered mail shall constitute lawful and valid service of process.

17. **MISCELLANEOUS.** All notices shall be provided to the addresses set forth in this agreement and if none is provided, to the party’s resident. Wherever possible, all terms shall be interpreted consistently. If a conflict arises as to price, payment or delivery, the typed terms on the front page shall control over printed provisions on this side. For any other conflict, these Terms and Conditions shall control. No usage in trade shall create a conflict with these terms. Spring Meadow reserves the right to correct any typographical error in this Agreement. If any provision is determined to be unenforceable, the remainder of this agreement shall remain in full force and effect.

18. **ENTIRE AGREEMENT AND AMENDMENT.** This agreement contains all of the terms of the agreement between Spring Meadow and Buyer as to its subject matter and supersedes all prior oral or written representations, agreements, and other communications between Spring Meadow and Buyer. This agreement may be amended only by a writing signed by Spring Meadow and an officer of Buyer.
STEWARDSHIP

The Deppe family believes that giving is a responsibility that accompanies success and is proud to personally support a variety of organizations in their West Michigan community. Their charitable nature extends to Spring Meadow as well, and our company gives to organizations that embody the spirit of innovation and positive change and that further growth for all of us.

SPRING MEADOW – PROVEN WINNERS SCHOLARSHIP

Because bright, well-trained, qualified people are essential to the nursery industry, we have offered a scholarship to students across the country who are earning their degree in horticulture. We are proud that what started out as a modest offering to one student in 1999 has grown to $3,500 offered to three students at present. The 2017 recipients were:

Brandon Miller
A graduate student at Iowa State University, Mr. Miller’s studies have focused on woody ornamentals and their production. His current research into the root systems of native species of Carya aims to make them more production-friendly.

Justin Schulze
After earning his bachelor’s in biology, Mr. Schulze made a career change and studied ornamental plant breeding at Oregon State for his master’s degree. He is particularly interested in woody evergreens, disease resistance, and developing sterility in invasive landscape plants.

Nicolas Robinson
Mr. Robinson is an undergraduate at the University of Connecticut, where he is exploring his interest in propagation and greenhouse management.

Since 1962, HRI has worked to increase the quality and value of plants, improve the productivity and profitability of the nursery and landscape industry, and protect and enhance the environment. Every time you make a purchase from Spring Meadow, we add ¼ of 1% of your purchase total on to your invoice as a contribution to HRI. Spring Meadow then triples your donation, and these funds are used to support the Spring Meadow Nursery New Plants Fund and the HRI Endowment Fund. These funds foster ground-breaking research that benefits everyone in the ornamental horticulture industry.

HRI’s latest initiatives include bee health, boxwood blight, and irrigation run off. We encourage you to learn more about what they are funding and how it can benefit your business at HRIResearch.org.

Spring Meadow Nursery is a long-standing member of IPPS, the International Plant Propagators Society. IPPS is a rich resource for anyone involved in horticulture, and we encourage you and your employees to participate in regional meetings and their informative publications. Visit www.ipps.org for more information.

Thanks to sales of Invincibelle® Spirit and Invincibelle® Spirit II hydrangeas and Pink Day events at garden centers, nearly $1 million has been raised to support BCRF. One of the most effective cancer charities in North America, 91 cents of every dollar they receive funds life-saving research. Look for the big announcement that our million dollar goal has been met in 2018.
Introducing Pugster® Amethyst buddleia, the newest addition to the award-winning Pugster® series. Big, full flowers are the color of an amethyst gemstone held to the light, and they emit the sweetest honey fragrance. Pugster® buddleia derive their name from their resemblance to a pug dog – short, stocky, and irresistibly cute. The benefits go beyond their dwarf size: they also have very thick, sturdy stems that not only make the plant less brittle but also give it much-improved resistance to winter damage in cold climates.

Pugster® Amethyst buddleia joins four other luscious colors in the series – blue, periwinkle, pink, and white. All are deliciously fragrant and bloom continuously through summer without deadheading. Coupled with their super-fast growth rate, the Pugster® series ensures easy production and rapid sell-through for maximum profitability.
