

# Proven Winners® Marketing Campaign - BC

## CONNECT+ Program

New for 2020, Proven Winners launched a revolutionary marketing service exclusively for IGC customers that aims to make their lives easier while putting the power of the Proven Winners brand to work for their businesses and allowing them to subscribe at their preferred level, with 1,130 total subscriptions and **30 subscriptions in British Columbia**.

For more information on this new service, visit [www.provenwinners.com/connect](http://www.provenwinners.com/connect).

## Certified Training Program

The Proven Winners Certified Training Program for garden centers is an ongoing partnership that offers retailers and their employees the opportunity to learn more about our plants while building their confidence to sell Proven Winners.

Although COVID-19 greatly impacted IGCs everywhere, we were encouraged that 6,889 employees became certified from over 1,000 retailers in 2020. Of those, **22 retailers & 145 employees** were from British Columbia.

For more on this program, visit [www.provenwinners.com/certification](http://www.provenwinners.com/certification).

## Gardener's Idea Books

Proven Winners distributed **500,000 copies** of our popular *Gardener's Idea Book* in 2020—**6,800 copies in British Columbia**—and we plan to do the same in 2021. Each year, Proven Winners provides FREE *Gardener's Idea Books* to retailers to mail to their customers if they pay for the postage. British Columbia retailers mailed an additional **400** to their customers.

The sign up deadline is January 1, 2021 for custom prints. Cases of standard *Gardener's Idea Books* will be available beginning February 15, 2021. For more information & options, visit [www.provenwinners.com/gib-co-op](http://www.provenwinners.com/gib-co-op).

## Website

Over **6 million** visitors have explored our websites over the past year, including our main site and two additional websites which focus on key products: [nationalplantoftheyear.com](http://nationalplantoftheyear.com) and [beauty.provenwinners.com](http://beauty.provenwinners.com), which contains expanded content from the *Gardener's Idea Book*.

**British Columbia visitors** accounted for **188,000 visits** to [provenwinners.com](http://provenwinners.com), **830 visits** to [beauty.provenwinners.com](http://beauty.provenwinners.com), and **940 visits** to [nationalplantoftheyear.com](http://nationalplantoftheyear.com).

## Magazine Advertising

While some of our advertising budget has shifted online, we continue to reach new gardeners and maintain our brand image with passionate gardeners in popular titles like *Better Homes & Gardens*, *The Gardener*, and *Home & Garden Showplace* with over **2 million impressions in Canada alone** in 2020.

**3,500 British Columbia subscribers** will see our ads this year.

## Native Shrubs Booklet & Gardening Simplified

New for 2020, *A New Vision for Native Shrubs* details our vision for developing and selecting new North American native shrubs. 490 copies of this booklet have been distributed in British Columbia along with 480 copies of *Gardening Simplified*, which has been restyled with the shrubs organized in solution-oriented categories like Plants for Hedges, Shrubs for Containers, Wildlife Gardens, and more. For more information, call 800-633-8859.

## E-newsletters

Last year over **313,000 consumers** were subscribed to our monthly gardening tips email newsletter, *Winners Circle®*, which is filled with wonderful information timed for each season in the garden and includes a new plant profile and plant combination recipe each month.

In addition, over **7,200 growers** were subscribed to our professional newsletter, *Grower News*, which provides seasonal growing tips, variety highlights & trial results.

Over **6,000 retailers** were subscribed to our monthly *Garden Center Retailer Newsletter* which keeps retailers up to date on trends, valuable retail programs, best practices, special sneak previews, article ideas and more.

## IGC CONNECT Facebook Group

In response to COVID-19 and the rapidly changing business environment, our team launched several initiatives to support IGCs. We started by creating the Proven Winners IGC CONNECT Facebook Group—a space where IGCs can share best practices, challenges, and feel good stories from our industry with their peers while we provide free assets and tools for them, including timely social media graphics.

Visit <https://www.facebook.com/groups/679124332846172/> to join the group.

## Social Media

This year our social channels collectively drove over **283 million impressions**. In British Columbia we received 39,000 paid Facebook impressions and 17,200 paid Google impressions, plus many more organic impressions. See below for a breakdown of impressions by social channel for the 2019-20 season.

This is a great opportunity to easily tap into the mind of the consumer and see what plants they are using and which they are trying to find in garden centers.
