

Proven Winners® Marketing Campaign - MS

CONNECT+ Program

New for 2020, Proven Winners launched a revolutionary marketing service exclusively for IGC customers that aims to make their lives easier while putting the power of the Proven Winners brand to work for their businesses and allowing them to subscribe at their preferred level, with 1,130 total subscriptions and **2 subscriptions in Mississippi**.

For more information on this new service, visit www.provenwinners.com/connect.

Certified Training Program

The Proven Winners Certified Training Program for garden centers is an ongoing partnership that offers retailers and their employees the opportunity to learn more about our plants while building their confidence to sell Proven Winners.

Although COVID-19 greatly impacted IGCs everywhere, we were encouraged that 6,889 employees became certified from over 1,000 retailers in 2020. Of those, **5 retailers & 15 employees** were from Mississippi.

For more on this program, visit www.provenwinners.com/certification.

Gardener's Idea Books

Proven Winners distributed **500,000 copies** of our popular *Gardener's Idea Book* in 2020—**600 copies in Mississippi**—and we plan to do the same in 2021. Each year, Proven Winners provides FREE *Gardener's Idea Books* to retailers to mail to their customers if they pay for the postage.

The sign up deadline is January 1, 2021 for custom prints. Cases of standard *Gardener's Idea Books* will be available beginning February 15, 2021. For more information & options, visit www.provenwinners.com/gib-co-op.

Website

Over **6 million** visitors have explored our websites over the past year, including our main site and two additional websites which focus on key products: nationalplantoftheyear.com and beauty.provenwinners.com, which contains expanded content from the *Gardener's Idea Book*.

Mississippi visitors accounted for **40,300 visits** to provenwinners.com.

Broadcast & Internet Radio

With a goal to reach broader audiences of gardening enthusiasts, Proven Winners® ColorChoice® has increased media exposure with the largest broadcast and internet radio campaign they have ever planned, generating over **150 million impressions** this year.

Magazine Advertising

While some of our advertising budget has shifted online, we continue to reach new gardeners and maintain our brand image with passionate gardeners in powerhouse titles like *HGTV*, *Better Homes and Gardens*, *Southern Living* and *Magnolia Journal*, with over **12 million impressions** in 2020.

155,000 Mississippi subscribers will see our ads this year.

Native Shrubs Booklet & Gardening Simplified

New for 2020, *A New Vision for Native Shrubs* details our vision for developing and selecting new North American native shrubs. 340 copies of this booklet have been distributed in Mississippi along with 320 copies of *Gardening Simplified*, which has been restyled with the shrubs organized in solution-oriented categories like Plants for Hedges, Shrubs for Containers, Wildlife Gardens, and more. For more information, call 800-633-8859.

E-newsletters

Last year over **313,000 consumers** were subscribed to our monthly gardening tips email newsletter, *Winners Circle®*, which is filled with wonderful information timed for each season in the garden and includes a new plant profile and plant combination recipe each month.

In addition, over **7,200 growers** were subscribed to our professional newsletter, *Grower News*, which provides seasonal growing tips, variety highlights & trial results.

Over **6,000 retailers** were subscribed to our monthly Garden Center Retailer Newsletter which keeps retailers up to date on trends, valuable retail programs, best practices, special sneak previews, article ideas and more.

IGC CONNECT Facebook Group

In response to COVID-19 and the rapidly changing business environment, our team launched several initiatives to support IGCs. We started by creating the Proven Winners IGC CONNECT Facebook Group—a space where IGCs can share best practices, challenges, and feel good stories from our industry with their peers while we provide free assets and tools for them, including timely social media graphics.
