

Proven Winners® Marketing Campaign - NE

CONNECT+ Program

New for 2020, Proven Winners launched a revolutionary marketing service exclusively for IGC customers that aims to make their lives easier while putting the power of the Proven Winners brand to work for their businesses and allowing them to subscribe at their preferred level, with 1,130 total subscriptions and **16 subscriptions in Nebraska**.

For more information on this new service, visit www.provenwinners.com/connect.

Certified Training Program

The Proven Winners Certified Training Program for garden centers is an ongoing partnership that offers retailers and their employees the opportunity to learn more about our plants while building their confidence to sell Proven Winners.

Although COVID-19 greatly impacted IGCs everywhere, we were encouraged that 6,889 employees became certified from over 1,000 retailers in 2020. Of those, **15 retailers & 94 employees** were from Nebraska.

For more on this program, visit www.provenwinners.com/certification.

Gardener's Idea Books

Proven Winners distributed **500,000 copies** of our popular *Gardener's Idea Book* in 2020—**1,300 copies in Nebraska**—and we plan to do the same in 2021. Each year, Proven Winners provides FREE *Gardener's Idea Books* to retailers to mail to their customers if they pay for the postage. Nebraska retailers mailed an additional **500** to their customers.

The sign up deadline is January 1, 2021 for custom prints. Cases of standard *Gardener's Idea Books* will be available beginning February 15, 2021. For more information & options, visit www.provenwinners.com/gib-co-op.

Website

Over **6 million** visitors have explored our websites over the past year, including our main site and two additional websites which focus on key products: nationalplantoftheyear.com and beauty.provenwinners.com, which contains expanded content from the *Gardener's Idea Book*.

Nebraska visitors accounted for **88,000 visits** to provenwinners.com.

Broadcast & Internet Radio

With a goal to reach broader audiences of gardening enthusiasts, Proven Winners® ColorChoice® has increased media exposure with the largest broadcast and internet radio campaign they have ever planned, generating over **150 million impressions** this year.

Between this campaign and the custom Pandora Internet campaigns available to Enhanced and Elite CONNECT+ U.S. retailers featuring the voice of Laura from Garden Answer, these channels have generated over **240,000 impressions in Nebraska**.

To listen to sample ads and see who has participated, visit www.provenwinners.com/pandora.

Magazine Advertising

While some of our advertising budget has shifted online, we continue to reach new gardeners and maintain our brand image with passionate gardeners in powerhouse titles like *HGTV*, *Better Homes and Gardens*, *Southern Living* and *Magnolia Journal*, with over **12 million impressions** in 2020.

92,000 Nebraska subscribers will see our ads this year.

Native Shrubs Booklet & Gardening Simplified

New for 2020, *A New Vision for Native Shrubs* details our vision for developing and selecting new North American native shrubs. 390 copies of this booklet have been distributed in Nebraska along with 360 copies of *Gardening Simplified*, which has been restyled with the shrubs organized in solution-oriented categories like Plants for Hedges, Shrubs for Containers, Wildlife Gardens, and more. For more information, call 800-633-8859.

IGC CONNECT Facebook Group

In response to COVID-19 and the rapidly changing business environment, our team launched several initiatives to support IGCs. We started by creating the Proven Winners IGC CONNECT Facebook Group—a space where IGCs can share best practices, challenges, and feel good stories from our industry with their peers while we provide free assets and tools for them, including timely social media graphics.

Visit <https://www.facebook.com/groups/679124332846172/> to join the group.

Social Media

This year our social channels collectively drove over **283 million impressions**. In Nebraska we had 189,000 paid Facebook impressions and 23,000 paid Google impressions, plus many more organic impressions. See below for a breakdown of impressions by social channel for the 2019-20 season.

In addition to the impressions generated from our Facebook page, we are also reaching 45,000 home gardeners in our **Proven Winners Gorgeous Gardens Facebook group** where they share stories and photos of their home gardens. This is a great opportunity to easily tap into the mind of the consumer and see what plants they are using and which they are trying to find in garden centers.
